

# Two-Headed Calf

by Laura Gilpin

Tomorrow when the farm boys find this  
freak of nature, they will wrap his body  
in newspaper and carry him to the museum.

But tonight he is alive and in the north  
field with his mother. It is a perfect  
summer evening: the moon rising over  
the orchard, the wind in the grass. And  
as he stares into the sky, there are  
twice as many stars as usual.
