Two Prisoners:

Axis Prisoners of War in Kentucky Antonio S. Thompson, 2024-01-01 During World War II Kentuckians rushed from farms to factories and battlefields leaving agriculture throughout the state particularly the lucrative tobacco industry without sufficient labor An influx of Axis prisoners of war made up the shortfall Nearly 10 000 German and Italian POWs were housed in camps at Campbell Breckinridge Knox and other locations across the state Under the Geneva Convention they worked for their captors and helped save Kentucky s crops while enjoying relative comfort as prisoners playing sports performing musicals and taking college classes Yet friction between Nazi and anti Nazi inmates threatened the success of the program This book chronicles the POW program in Kentucky and the vital contributions the Bluegrass State made to Allied victory
