2020 in Alabama and Beverly Jane Ornett is terminally online To be fair the real world has lost its charms thanks to the
pandemic she hasn t worked in months Plus her longtime roommate is moving out of their filthy apartment to live with her
wealthy boyfriend and the only people she communicates with are the weirdos and pariahs in her crappy poetry collective
And she s spending way too much time pining for one of them an aloof redneck she dated the previous summer Sure she

threading and videos of hydraulic presses crushing random objects she could peruse the poetry collective s group chat or
even go to the Domino s website and use their online tools to sprinkle virtual toppings on the pizza she d order if only she had
the money Then comes a chat message from an unfamiliar handle a demon or something worse The demon is asking for
favors and posting Bev s secrets online Now Bev has to get to the bottom of things Nevermind the fact that she s not able to
get to the bottom of much except maybe a bottle of cough syrup In short order she s exploring or perhaps stumbling through

seediness indeed Maybe the truth is out there and maybe it s not but either way Bev s life is about to change forever *All Trap
