

Another Conspiracy Theory

I firmly believe that Conspiracy Theorists,
are duped by the four big super power world governments,
They are the guinea -pigs, the cannon fodder, the smoke screen, the
most pliable for these nefarious ulterior motives driven governments,

The Conspiracy Theorists, create such
confusion,(amongst themselves)which in turn ignites more fires,
and fans the flames of discontent,

Their ideas are so ludicrous and beyond far fetched imagination, with
the desired effect, of giving these super powers, a clean canvas to work on,
behind the scenes, whilst the conspiracy theorists, do all the hard work,
of showing the ulterior motives in everything the governments do, and
making a laughing stock of themselves, in the process. This state
of affairs, allow the controlling governments to do whatever they like,
knowing the theorists will be there to give them the 'green light'
of global approval, by their constant disapproval.
The four super powers and the conspiracy theorists are symbiotic in nature,
they both live and feed off each other...
It's only my theory, I found a message in a bottle...
