## **Us Constitution For Everyone:**

The U.S. Constitution for Everyone Jerome B. Agel, Mort Gerberg, 1991-03-21 History comes alive in this illustrated guide to the Constitution and all 27 Amendments The Constitution has been in the news a lot recently But most of us could probably use a refresher on this founding document of America you can probably name the first and second amendments but what about the 11th or the 22nd And what does all of that formal political language actually mean for us today The U S Constitution for Everyone answers these questions and more like How does impeachment work anyway How long is a Senator s term What is covered by freedom of speech What are emoluments How exactly does a bill become a law This book makes understanding your rights easy with clear explanations of the complete text of the U S Constitution as well as all 27 Amendments alongside fascinating historical facts and explanations A must read for students curious citizens and everyone who d like to know more about the supreme laws of our nation **Congressional Record** United States. Congress, 1968

The U. S. Constitution for Everyone Jerome Agel, Mort Gerberg, 1991 Published in celebration of our Constitution s bicentennial this is a clear easy to read introduction to America s founding document A page of the Constitution s actual text faces a page of explanation and information in such a way that both young and old can develop a clear understanding of the Constitution Illustrated National Republic ,1926 *National Republican* ,1925 A U.S. Constitution for the Year 2000 Chester James Antieau, 1995 In this timely book Professor Antieau proposes much needed changes to the Constitution of the United States He points out that it has been well over a century since the document was last thoroughly reviewed In three parts Antieau discusses 1 rights that have been ruled only implicitly present in the Constitution such as freedom of association and the right of privacy 2 constitutional clauses that require amendment for example the right to bail and the presidential veto and 3 other fundamental rights and ideas that are not addressed in the Constitution among them the rights to education a healthy environment and adequate social services Writing in clear easy to follow language Antieau makes his case by drawing on the great political philosophers of the West Aristotle Aquinas Locke and de Tocqueville and on the framers of the Constitution themselves including Jefferson Madison and Adams He also refers to judicial rulings by the Supreme Court and developments in international law BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The American Teacher Magazine* ,1961 Working with Your School United States Commission on Civil Rights.
