Divided Highways Heather Macfarlane, 2019-06-25 The road trip genre well established in the literatures of Canada is a natural outcome of the nation's obsession with geography Divided Highways examines road narratives by Anglo-Canadian Québécois and Indigenous authors and the sense of place and nationhood in these communities Geography describes the land and history peoples it just as memories connect us to place This is why road trips are such a feature of writing in Canada allowing the travellers to claim at least symbolically the terrain they have traversed Macfarlane examines works by a variety of writers from each of these communities including Gilles Archambault Jeannette Armstrong Jill Frayne Tomson Highway Claude Jasmin Robert Kroetsch Jacques Poulin Aritha van Herk and Paul Villeneuve to name but a few Studying a diversity of road narratives from Anglo-Canadian Québécois and Indigenous populations not only demonstrates the existence of a very specific road genre but is also revelatory of very diverse and often conflicting perceptions of nationhood It is these expressions of sovereignty that are integral to ongoing discussions of reconciliation and decolonization This book is published in English Cet ouvrage étudie l'existence et la tradition du roman de la route au Canada La géographie décrit le territoire et l'histoire lui insuffle vie tout comme les souvenirs sont des points d'attache un lieu donné Voilà pourquoi les road trips ont une place privilégiée dans la critique d'expression anglaise française et autochtone du Canada ils permettent aux voyageurs de revendiquer du moins symboliquement le terrain qu'ils ont couvert C'est l'intersection de l'histoire et de la géographie qui confère toute sa signification un voyage qui alimente cet esprit des lieux ou qui permet d'en constater l'absence Les voyages sont rivaux des intérêts propres aux trois groupes examinés dans le cadre de cette étude Le désir et parfois la nécessité d'entreprendre un voyage les compagnons de voyage ainsi que les destinations de même que l'histoire qui se écrit au fil des distances parcourues sont autant d'indicateurs de cette notion de l'espace et du concept de nation au sein du pays Pour illustrer ce phénomène ce livre examine des œuvres littéraires d'une gamme d'écrivains anglophones québécois et autochtones dont Gilles Archambault
