**Collected Short Fiction of V. S. Naipaul** V. S. Naipaul, 2011-04-12 For the first time the Nobel Prize winning author s stunning short fiction collected in one volume with an introduction by the author Naipaul is the world s writer a master of language and perception The New York Times Book Review Over the course of his distinguished career V S Naipaul has written a remarkable array of short fiction that moves from Trinidad to London to Africa Here are the stories from his Somerset Maugham Award winning Miguel Street in which he takes us into a derelict corner of Trinidad s capital to meet among others Man Man who goes from running for public office to staging his own crucifixion The tales in A Flag on the Island meanwhile roam from a Chinese bakery in Trinidad to a rooming house in London And in the celebrated title story from the Booker Prize winning In a Free State an English couple traveling in an unnamed African country discover under a veneer of civilization a landscape of squalor and ethnic bloodletting No writer has rendered our postcolonial world more acutely or prophetically than V S Naipaul or given its upheavals such a hauntingly human face

**In a Free State** V. S. Naipaul, 2011-04 WINNER OF THE BOOKER PRIZE 1971 SHORTLISTED FOR THE GOLDEN MAN BOOKER PRIZE From Pulitzer Prize winner V S Naipaul In A Free State is set in an imaginary state in Africa against a background of civil conflict The book travels from America to London to Africa The first third focuses on the fortunes of Santosh a young Indian servant

at the mercy of this dreams of his employers and of the countries in which he is plunged It then moves into the world of expats in Africa of government officers and radio people attempting to understand the country they have found themselves in to match their ideas to reality And as always in the background the threat of violence looms The voices in this novel are breathtakingly vivid the feelings of the characters portrayed with an intelligence and sensitivity that is rarely seen in contemporary writing PRAISE FOR NAIPAUL For sheer abundance of talent there can hardly be a writer alive who surpasses V S Naipaul He is the world's writer a master of language and perception The New York Times Book Review A Tolstoyan spirit The so called Third World has produced no more brilliant literary artist John Updike V S Naipaul has a substantial claim as a comic writer This humor conducted throughout with the utmost stylistic quietude is completely original Kingsley Amis The Spectator Mr Naipaul travels with the artist's eye and ear and his observations are sharply discerning Evelyn Waugh **V.S. Naipaul** Mittapalli Rajeshwar, Michael Hensen, 2002 A Constant Concern Of Naipaul's Novels And Travel Writing Is The Negotiation Of Where The Individual Is Situated Many Of His Fictional Figures Remain Unhoused Displaced Uprooted With No Distinct Place Called Home To Be Proud Of And Are Therefore Located On The Margins Of Fixed And Shifting Identities In Formal Terms Naipaul Experiments Along The Boundaries Of Fiction And Non Fiction In Particular Travel Writing And Often Fuses Genres To Give Birth To New Ones On The Occasion Of Naipaul's Winning The Nobel Prize For Literature This Anthology Presents A Perceptive Assessment Of Some Of His Important Works Of Fiction And Travel Writing And Puts Into Perspective His Contribution To Literature As A Whole Conversations with V. S. Naipaul Feroza F. Jussawalla, 1997 This collection brings together interviews from a thirty six year span and reveals a witty sometimes scathing talker with a free ranging curiosity In early interviews mostly given to such fellow writers and colleagues as Derek Walcott and Eric Roach Naipaul is clipped brusque and clearly impatient with interviewers More recent interviews given primarily to journalists rather than literary figures reveal a more mellow Naipaul often warm passionate and forthcoming about his private life

*Vidiadhar Surajprasad Naipaul* Fawzia Mustafa, 1995-09-07 This introductory study offers a critical overview of the major works of V S Naipaul from 1950 to the present day Professor Mustafa's main concern is with literary issues but historical political and cultural questions are also addressed with comparative references to other postcolonial works Paradoxically a major segment of Naipaul's non western pro decolonisation readership seized on negative elements in his thinking while Western reaction to his ideas and themes led to set notions about Third World society Thus his work has always been the object of radically divergent views dependent on the perspective of the reader In examining this issue Mustafa introduces general debates about postcolonial literary production and its contemporary interrogation of narrative techniques language gender race and canon formulation *V. S. Naipaul of Trinidad* Nivedita Misra, 2024-01-09 The book is about V S Naipaul who was born in Trinidad in 1932 At the age of 18 Naipaul left Trinidad on a scholarship to study literature at Oxford He never returned to live in Trinidad His first book was published in 1956 and by the time Trinidad achieved political

independence in 1962 he had published four books and was firmly established as a writer in England By the time Trinidad became a republic in 1976 Naipaul had written 13 books and had travelled through much of the postcolonial world This book highlights how Trinidad and Naipaul were bound in a love hate relationship where Naipaul continued to pass Trinidad off as a cynical island where nothing was created while Trinidad had its share by laying back a claim on him and his writing It is generally perceived that Naipaul shunned his place of birth as he called his birth in Trinidad a mistake Trinidad an unimportant uncreative cynical place and the Caribbean as the Third World s Third World His refusal to acknowledge Trinidad in his initial response to receiving the Nobel Prize added insult to injury Yet he was deeply bound to the island of Trinidad and his roots in the Indo Trinidadian community This book makes Naipaul s connection to Trinidad more than evident and as such adds to the present body of knowledge

*V.S. Naipaul's Fiction* Anthony Boxill,1983 [V.S.Naipaul: : The Legacy](#) Richard Lance Keeble,Farrukh Dhondy,John Mair,2018-09-17 Sir Vidiadhar Surajprasad Naipaul was born in Chagunas Trinidad on 17 August 1927 and he died in London on 11 August 2018 leaving behind a rich vibrant and challenging legacy of fiction and non fiction His novels for example *A House for Mr Biswas* and *A Bend in the River* have been recognised as great literature His non fiction for example *A Million Mutinies Now* and *Beyond Belief* is controversial and has managed to upset Muslims Africans Caribbeans and women He was a much garlanded writer winning the Booker Prize in 1971 receiving a knighthood in England in 1990 and the Nobel Prize for Literature in 2001 John Mair Richard Keeble and Farrukh Dhondy have edited a collection of new and previously published articles and contributions about V S Naipaul and his legacy Written by some great scholars friends journalists and enemies reflecting on his legacy this book is a timely appreciation of the man his work and his times

**Reading and Writing** V. S. Naipaul,2000-02-28 I was eleven no more when the wish came to me to be a writer

and then very soon it was a settled ambition But for the young V S Naipaul there was a great distance between the wish and its fulfillment To become a writer he would have to find ways of understanding three very different cultures his family s half remembered Indian homeland the West Indian colonial society in which he grew up and the wholly foreign world of the English novels he read In this essay of literary autobiography V S Naipaul sifts through memories of his childhood in Trinidad his university days in England and his earliest attempts at writing seeking the experiences of life and reading that shaped his imagination and his growth as a writer He pays particular attention to the traumas of India under its various conquerors and the painful sense of dereliction and loss that shadows writers attempts to capture the country and its people in prose Naipaul s profound reflections on the relations between personal or historical experience and literary form between the novel and the world reveal how he came to discover both his voice and the subjects of his writing and how he learned to turn sometimes to fiction sometimes to the travel narrative to portray them truthfully Along the way he offers insights into the novel s prodigious development as a form for depicting and interpreting society in the nineteenth century and its diminishing capacity to do the same in the twentieth a task that in his view passed to the creative energies of the early cinema As a child trying to read I had felt that two worlds separated me from the books that were offered to me at school and in the libraries the childhood world of our remembered India and the more colonial world of our city What I didn t know even after I had written my early books of fiction was that those two spheres of darkness had become my subject Fiction working its mysteries by indirections finding directions out had led me to my subject But it couldn t take me all the way V S Naipaul from Reading Writing V. S. Naipaul (Routledge Revivals) Peter Hughes,2014-08-01 First published in 1988 Peter Hughes explores the work of V S Naipaul and the interplay of fictional and non fictional patters in what is his obsessive vision of human life Hughes shows how Naipaul s narratives pair off histories and novels travel writing and psycho biography reinforcing one another and Naipaul s vision of a world undoing itself a world of disorder and fantasy He includes a reading of Naipaul s texts usually considered highly traditional that shows their innovative side and points out ways that they can be illuminated through modern literary theory A detailed analysis this companion to V S Naipaul s writing will interest students of modern literature and those with an interest in Naipaul s writing more generally The Novels of V.S. Naipaul Shashi Kamra,1990 **V.S. Naipaul** Sudha Rai,1982 Study of An area of darkness The overcrowded barracoon and India a wounded civilization three non fictional writings on India by Vidiadhar Surajprasad Naipaul English fiction writer **V. S. Naipaul, an Introduction to His Work** Paul Theroux,1972 **The Enigma of Arrival** V. S. Naipaul,1988-04-12 The Nobel Prize winning author distills his wide experience of countries and peoples into a moving account of the rites of passage endured by all people and all communities undergoing change or decay Naipaul s finest work Chicago Tribune A subtly incisive self reckoning The Washington Post Book World The story of a writer s singular journey from one place to another and from one state of mind to another At the midpoint of the century the narrator leaves the British colony of Trinidad and

comes to the ancient countryside of England And from within the story of this journey of departure and arrival alienation and familiarity home and homelessness the writer reveals how cut off from his first life in Trinidad he enters a second childhood of seeing and learning Clearly autobiographical yet woven through with remarkable invention The Enigma of Arrival is as rich and complex as any novel we have had from this exceptional writer The conclusion is both heart breaking and bracing the only antidote to destruction of dreams of reality is remembering As eloquently as anyone now writing Naipaul remembers Time Far and away the most curious novel I ve read in a long time and maybe the most hypnotic book I ve ever read St Petersburg Times **V.S. Naipaul** Chandra B. Joshi,1994 *Journey Through Darkness* Peggy Nightingale,1987 Studie over het werk van de West Indische schrijver Vidiadhar Surajprasad Naipaul 9132 *V.S. Naipaul* Suman Gupta,1999 An up to date critical survey of all Naipaul s major work giving a cohesive view of his artistic development
