**The Code** Ross Bernstein, 2012-09-01 An in depth and behind the scenes to explore the history of football s unspoken expectations of all who are involved with the game each Sunday this engaging look the inner workings of the sport of football includes interviews with more than 100 current and former NFL players coaches front office employees and media personalities to examine how players go about their business on the field of play They explain why various rules are expected among players and what tactics are used during games This work discusses the top controversies on the gridiron including the New England Patriots illegally taping the Jets defensive coaches signals in 2007 wide receivers and defensive backs using stickum to help catch balls offensive linemen using silicone to make it difficult for defensive players to grab their jersey how Tony Mandarich beat steroid testing during his playing days and Lawrence Taylor s career ending hit on Joe Theismann on Monday Night Football in 1985 In addition to analyzing the reasons for controversial actions in football Ross Bernstein elaborates further by covering the unspoken code of players coaches and even the referees

*T.O.* Terrell Owens, Jason Rosenhaus, 2006-07-11 In this remarkably candid book the NFL s most colorful and controversial athlete tells his own Philadelphia story Terrell Owens joined the Philadelphia Eagles for the 2004 season hoping to help the Eagles win the Super Bowl The Eagles almost did it losing a close game to the New England Patriots TO expected to have a long and productive career in Philadelphia But less than halfway through the 2005 season it all fell apart TO was suspended first for a game then for the season as the Eagles blamed him for a variety of infractions Now TO speaks out about what really happened in Philadelphia He takes readers behind the scenes and into the huddle to show how he was unfairly blamed for conduct detrimental to his team After setting an Eagles record for touchdown receptions TO was badly injured late in the 2004 season Most observers thought his season was over But TO put himself through a grueling rehab which he describes here to recover in time to join his teammates in the Super Bowl turning in a remarkable performance Convinced that the Eagles could win it all in 2005 TO became only the sixth receiver in NFL history with 100 touchdown receptions He explains in *T O* how and why his relationship with Eagles quarterback Donovan McNabb deteriorated The situation worsened when TO agreed with Michael Irvin that the Eagles would be better off with Brett Favre as their quarterback A fight in the team locker room where an injured TO had to defend himself caused further friction Before long he was suspended from the team for the entire

season TO contested his suspension and took his case before an arbitrator In this book TO brings readers into the hearing room and shows how unfair the arbitrator s precedent setting decision really was The decision was so wrong that even the NFL agreed to pass a rule specifically reversing it But T O is a story of triumph and dedication TO never lost his commitment to the game and whenever he had the chance he performed like the sensational athlete he is He knew he would play again and his faith was rewarded when he signed a three year 25 million contract with the Dallas Cowboys prior to the 2006 season Throughout his ordeal TO remained true to himself the same outsized personality who has rocked the NFL and become a football superstar
