David Levering Lewis

W E B Du Bois:

W.E.B. Du Bois David Levering Lewis,2001-09-01 W E B Du Bois 1919 1963 the second volume of the Pulitzer Prize winning biography that The Washington Post hailed as an engrossing masterpiece Charismatic singularly determined and controversial W E B Du Bois was a historian novelist editor sociologist founder of the NAACP advocate of women s rights and the premier architect of the Civil Rights movement His hypnotic voice thunders out of David Levering Lewis s monumental biography like a locomotive under full steam This second volume of what is already a classic work begins with the triumphal return from WWI of African American veterans to the shattering reality of racism and lynching even as America discovers the New Negro of literature and art In stunning detail Lewis chronicles the little known political agenda behind the Harlem Renaissance and Du Bois s relentless fight for equality and justice including his steadfast refusal to allow whites to interpret the aspirations of black America Seared by the rejection of terrified liberals and the black bourgeoisie during the Communist witch hunts Du Bois ended his days in uncompromising exile in newly independent Ghana In re creating the turbulent times in which he lived and fought Lewis restores the inspiring and famed Du Bois to his central place in American history *The Autobiography of W. E. B. DuBois* W. E. B. Du Bois,2013-09-01 The present volume is quite different from the other two autobiographies by Du Bois not only because of its additional two decade span and the significantly altered outlook of its author but also because in it unlike the others he seeks as he writes to review my life as frankly and fully as I can Of course with the directness and honesty which so decisively characterized him he reminds the reader of this book of the intense subjectivity that inevitably permeates autobiography hence he writes he offers this account of his life as he understood it and as he would like others to believe it to have been Certainly while Dr Du Bois was deep in his ninth decade when he died longevity was the least remarkable feature of his life As editor author lecturer scholar organizer inspirer and fighter he was among the most consequential figures of the twentieth century Necessarily therefore the full and final accounting of that life and his times becomes an indispensable volume W.E.B. Du Bois Rutledge M.
