Leading the Way, 2001 Irene Poon's book pays tribute to 25 Asian American artists she has known and photographed during her own distinguished career. She has compiled a book about the pioneers she found to emulate when she began creating images of the world around her both within and beyond her own San Francisco Chinatown. Selected art works and photographic portraits provide an insightful introduction to the Asian American artists active from the 1930s through the 1960s. Many of these artists continue to be productive in the 21st century. Poon's sensitive portraits of senior Asian American artists from California, Hawaii, Washington State, and New York City have great significance for Asian Pacific American studies and the history of art in America. Among the artists included are George Tsutakawa, Mineacuta Okubo, Johsel Namkung, and Jade Snow Wong. **Arts Digest**, 1928 *American Cinematographer*, 1945 *Art Digest*, 1926 Includes section The great calendar of American exhibitions **Commercial Prints and Labels** Library of Congress.
