last determine where you spend eternity That was the simple question I asked my dad one day nearly thirty five years ago This simple question was met with an incredible and angry response from my mother who thought that I had no right asking such a question and that it was none of my business This was basically the same response that I got from my sister when she learned that I had the temerity to ask this question of my dad This simple little question began a familial discord between my mother and me that resulted in what ended up as largely a dysfunctional family relationship for almost thirty years In addition to this underlying cause of our family dysfunction I did more than my share to advance the cause of dysfunction in our family Over the course of years our family relationships remained strained and distant largely my fault until that day when we all learned that our mom had cancer From that point on things were very different in our family The steady treatment and advance of Mom s cancer seemed to take an oddly twisted and tangled route to a result that left all of us arguably stunned and even more so surprised This is the story of that twisted and tangled trip

God Give Me Faith Rayel Bausenhaus,2023-07-17 God give me faith is the prayer you don t want to pray It s a prayer that usually means you ll endure uncomfortable and terrifying situations that push every boundary you have It s a prayer I prayed as over six months one of my parents lost their ability to remember and the other their ability to breathe God Give Me Faith is about that prayer and what resulted from it Just like that I became part of the sandwich generation caring for my parents while raising my family Thrust into a world I d never experienced I had to learn to navigate it fast I fell down I made mistakes But I had to keep moving forward Besides requiring an abrupt level of maturity becoming part of this generation requires faith Faith in God to give you what you need and who you need to get through it Faith in yourself that you can do hard things that you are braver than you ever imagined Faith in your choices and decisions that you ve made the best decisions you can in the moment No one talks about how hard it is the reality of it and the aftermath They don t talk about the exhaustion and chaos nor do they talk about the fear self doubt and isolation As I walked this path despite all the people around me I felt alone God Give Me Faith is my story about becoming a parent while caring for parents building a community around you and seeing the supporters who walk with you While I can t answer why these things happen I hope that my story shares how you can get through them and serves to remind you that you are not alone
