Shanghai Customs Daily Returns, 1908 Can Poetry Save the Earth? John Felstiner, 2009-04-07 Poems vivifying nature have gripped people for centuries From Biblical times to the present day poetry has continuously drawn us to the natural world In this thought provoking book John Felstiner explores the rich legacy of poems that take nature as their subject and he demonstrates their force and beauty In our own time of environmental crises he contends poetry has a unique capacity to restore our attention to our environment in its imperiled state And as we take heed we may well become better stewards of the earth In forty brief and lucid chapters Felstiner presents those voices that have most strongly spoken to and for the natural world Poets from the Romantics through Whitman and Dickinson to Elizabeth Bishop and Gary Snyder have helped us envision such details as ocean winds eroding and rebuilding dunes in the same breath wild deer freezing in our

presence and a person carving initials on a still living stranded whale Sixty color and black and white images many seen for the first time bear out visually the environmental imagination this book discovers a poetic legacy more vital now than ever

The Archetypal Artist Mary Antonia Wood,2022-03-24 In this thoughtful and revelatory book Wood explores enduring and powerful theories on art creativity and what Jung called the creative spirit in order to illuminate how artists can truly understand what it means to be a creator By bringing together insights on creativity from some of depth psychology s most iconic thinkers such as C G Jung James Hillman and Joseph Campbell as well as featuring a selection of creators who have been influenced by these ideas such as Martha Graham Mary Oliver Stanley Kunitz and Ursula K Le Guin this book explores archetypal thought and the role of the artist in society This unique approach emphasizes the foundational need to understand and work with the unconscious forces that underpin a creative calling deepening our understanding of the transformational power of creativity and the vital role of the artist in the modern world Acting as a touchstone for inquiries into the nature of creativity and of the soul this enlightening book is perfect for artists and creators of all types as well as Jungian analysts and therapists and academics interested in the arts humanities and depth psychology Catalogue ...
