Hyde, Rita Summers**

Wild Horse:

All the Wild Horses Charles G. Summers, Jr., Dayton O. Hyde, Rita Summers, Now available in paperback founder of the Black Hills Wild Horse Sanctuary and a lifelong rancher Dayton O Hyde acts as a guide to the natural history behavior and future chances of the wild horses that survive across the United States from the mustangs of the West to the ponies of Assoteague and Chincoteague islands He writes as well of his personal experiences with wild horses around the globe from the ghostly white horses of the French Camargue to zebras in Africa Beautifully illustrated with the work of Rita and Charles Summers renowned photographers of the world s wild horses this arresting book truly conveys the nature and the plight of these splendid animals Wild Horses of the West J. Edward De Steiguer,2011-04-15 When the Spanish explorers brought horses to North America the horses were in a sense returning home Beginning with their origins fifty million years ago the wild horse has been traced from North America through Asia to the plains of Spain s Andalusia and then back across the Atlantic to the ranges of the American West When given the chance these horses simply took up residence in the landscape that their ancestors had roamed so long ago In *Wild Horses of the West* J Edward de Steiguer provides an entertaining and well researched look at one of the most controversial animal welfare issues of our time the protection of free roaming horses on the West s public lands This is the first book in decades to include the entire story of these magnificent animals from their evolution and biology to their historical integration into conquistador Native American and cowboy cultures And the story isn t over De Steiguer goes on to address the modern issues ecology conservation and land management surrounding wild horses in the West today Featuring stunning color photographs of wild horses this extremely thorough and engaging blend of history science and politics will appeal to students of the American West conservation activists and anyone interested in the beauty and power of these striking animals *America's Last Wild Horses* Hope Ryden,1970 The story of the wild horse in America from the proud time when it escaped from the Conquistadors to its hunted and persecuted life today For two centuries the wild horse bands shared the freedom of the plains with the buffalo and the Indian until the West was opened to white settlement From their ranks came the tough and intelligent Western cow pony the Indians and later explorers and cowboys learned to rely on when they could catch them Pure spanish mustangs are still found among the few wild bands which remain on barren mountain pastures and remote desert ranges But in ten years even these will be gone for they are unprotected by any law and are mercilessly and most cruelly hunted by agents for canning factories **Wild Horse Country** David Philipps,2017-10-10 The insightful and even handed Outside story of a heroic animal whose existence is in danger The wild horse popularly known as the mustang is so ingrained in the American imagination that even those who have never seen one know what it stands for freedom independence the bedrock ideals of the nation But in modern times it has become entangled in controversy and bureaucratic mismanagement and now its future is imperiled In *Wild Horse Country* Pulitzer Prize winning New York Times reporter David Philipps traces the rich history of wild horses in America and investigates the

shocking dilemma they pose in our own time **Wild Horses I Have Known** ,1999 Wild Hoofbeats Carol Walker,2008
An emblem of the American West and once numbering in the millions the wild horse is considered by some today as a resource to be exploited or a pest to be eliminated Now the wild horse is on the verge of being removed entirely from our nation s public lands Wild hoofbeats takes us deep into Adobe Town in Wyoming s Red Desert and one of the largest remaining wild herds in America In passionate prose but above all in stunning photographs that are both intimate and grand Carol Walker convinces us to take the future of these elegant exceptional animals to heart P 4 of cover **Into the Wind**
Jay F. Kirkpatrick,1994 A celebration of the wild horse that looks at their origin and natural history The author has worked closely with wild horse herds all across America and has documented the struggle of the wild horse to survive and thrive in our ever advancing civilization Mustang Deanne Stillman,2009-06-01 Mustang is the sweeping story of the wild horse in the culture history and popular imagination of the American West It follows the wild horse across time from its evolutionary origins on this continent to its return with the conquistadors its bloody battles on the old frontier its iconic status in Buffalo Bill shows and early westerns and its plight today as it makes its last stand on the vanishing range With the Bureau of Land Management proposing to euthanize thousands of horses and ever encroaching development threatening the land the mustang s position has never been more perilous But as Stillman reveals the horses are still running wild despite all the obstacles with spirit unbroken Hailed by critics nationwide Mustang is brisk smart thorough and surprising Atlantic Monthly
Among Wild Horses Lynne Pomeranz,2012-10-30 See the wild horses run The Pryor Mountain Mustangs have roamed the high desert and mountains of the American West for centuries Descended from steeds brought over by the Spanish conquistadores their untamable nature and enduring courage inspire awe in all who have the chance to see them
Photographer Lynne Pomeranz spent two years with these magnificent creatures along the Montana Wyoming state line and her startlingly intimate photographs capture the resilience and free spirit that define these mustangs **Mongolian Wild Horse** Susan H. Gray,2007-08-01 The Mongolian wild horse was once considered extinct in the wild and only a few existed in zoos Find out how scientists working together have reintroduced Mongolian wild horses to their former habitat and are helping them take their first steps on the road to recovery *America's Wild Horses* Steve Price,2017-04-18 There is no creature that quite embodies the beauty and grandeur of the American West as does the wild horse For thousands of years the horse has roamed the plains and valleys of the American continent free of the encumbrances of man or the saddle In *America s Wild Horses* award winning photographer and lifelong horse lover Steven Price celebrates the timeless magnificence of the American mustang Meticulously researched Price offers a cultural history of the American wild horse that is unparalleled in its exquisite detail and poignant prose Beginning with chapters on prehistoric equines Price sweeps through all the most important historical epochs in the history of the American mustang Detailed accounts of horse breeding in the Southwest Native American horsemanship and mustangs in the golden age of the iconic American cowboys each detail

the profound impact that the wild horse has had in shaping American culture Later chapters chronicle the legacy of the horse in the twentieth and twenty first centuries specifically emphasizing the legal and scientific measures that are being taken by horse lovers across the country to ensure that later generations will also be able to witness the majesty of the wild horse Featuring dozens of stunning photographs by the author and interspersed with firsthand interviews with some of the most renowned horse experts today America s Wild Horses is a required read for all equine lovers
