Will And World A Study In Metaphysics:

Will and World N. M. L. Nathan, 1992 Beneath metaphysical problems there often lies a conflict between what is truth and what is believed to be truth Dr Nathan provides a general account of the resolution of this conflict as a philosophical objective showing that there are ways of thinking it through systematically with a view to resolving or alleviating it The author also studies a set of inter related conflicts about the freedom and the reality of the will He shows how difficult it is to find a freedom either of decision or of action which is both an object of reflective desire and an object of rational belief

Schopenhauer on the Character of the World John E. Atwell, 2023-04-28 The most extensive English language study of Schopenhauer's metaphysics of the will yet published this book represents a major contribution to Schopenhauer scholarship Here John E Atwell critically but sympathetically examines the philosopher's main work *The World as Will and Representation* demonstrating that the philosophical system it puts forth does constitute a consistent whole The author holds that this system is centered on a single thought The world is self knowledge of the will He then traces this unifying concept through the four books of *The World as Will and Representation* and in the process dissolves the work's alleged inconsistencies The most extensive English language study of Schopenhauer's metaphysics of the will yet published this book represents a major contribution to Schopenhauer scholarship Here John E Atwell critically but sympathetically examines the philosopher's main w
