The Undead:

The Undead! Steven Roberts, 2013-12-15 Stories of the undead have existed at one time in almost every culture in the world Today they are thought by most people to be the subject of legends or fairy tales though they are very popular today in horror movies This title talks about some of the different kinds of undead such as mummies and zombies and what the true story behind some of the tales about these creatures might be The story of Mercy Brown a supposed vampire in Rhode Island in the late 1800s is delved into in greater detail **Handbook of Death and Dying** Clifton D. Bryant, 2003-10 Dying is a social as well as physiological phenomenon Each society characterizes and consequently treats death and dying in its own individual ways ways that differ markedly These particular patterns of death and dying engender modal cultural responses and such institutionalized behavior has familiar economical educational religious and political implications The Handbook of Death and Dying takes stock of the vast literature in the field of thanatology arranging and synthesizing what has been an unwieldy body of knowledge into a concise yet comprehensive reference work This two volume handbook will provide direction and momentum to the study of death related behavior for many years to come Key Features More than 100 contributors representing authoritative expertise in a diverse array of disciplines Anthropology Family Studies History Law Medicine Mortuary Science Philosophy Psychology Social work Sociology Theology A distinguished editorial board of leading scholars and researchers in the field More than 100 definitive essays covering almost every dimension of death related behavior Comprehensive and inclusive exploring concepts and social patterns within the larger topical concern Journal article length essays that address topics with appropriate detail Multidisciplinary and cross cultural coverage

Encyclopedia of the Undead Bob Curran, 2009-03-19 What lurks out there in the fog What was that eerie sound in the dead of night What flitted by at the end of the street just beyond the farthest street lamp From earliest times tales of the restless dead and their fellow travelers have terrified mankind Whether around a remote campfire or in the middle of a bustling city the unquiet spirits and attendant creatures that have tormented humanity since the prehistoric darkness haven't gone away they still have the power to strike fear in our hearts Encyclopedia of the Undead traces those shadowy entities vampires werewolves ghouls and monsters that lurk just outside the range of human vision and inhabit our most frightening tales Drawing on a wide range of beliefs and literature it traces these horrors from their earliest recorded inception and charts their impact upon the human psyche In this book history and terror mix to create the things that lurk in the darkest corners of our minds You'll find detailed descriptions of terrors from all over the world from the mist shrouded mountains of Eastern Europe to the sweltering jungles of the Caribbean islands from the dark stone lined tombs of the uncoffined dead beneath the remote New England hills to the dark magics that lurk beneath the thriving colorful surface of a city like New Orleans In addition to the more conventional creatures Encyclopedia of the Undead also details some of the more obscure Things that gnaw at the edges of men's minds Incubi and Succubi the Mara and the dark legends that have influenced

writers from Sheridan Le Fanu to H P Lovecraft This is a book for all those who are interested in the darker side of the human mind the side that examines and even embraces those beliefs and imaginings that form the basis of our most archetypal fears This is the book for those brave enough to plumb the depths of our worst nightmares **The Good, the Bad, and the Undead** Kim Harrison,2009-10-13 The second novel in the addictive bestselling supernatural series begun with *Dead Witch Walking* To save herself and her vampire roommate former bounty hunter Rachel Morgan must confront six feet of sheer supernatural seduction the vampire master and dark secrets she s hidden even from herself **The Monster Magnus Vol.I** Robert Neri,2015-07 The *Monster Magnus I* contain descriptions for over 100 monsters not including sub types plus templates to modify those The manual also contains information for Player Races which include the traditional RPG stand bys as well as several new races This is the first in a short series of *Monster Manuals for the Dice Glory Roleplaying Game* focusing on the basic creatures Player Races Animals Vermin Undead Therians etc [The Grey Isle Tale](#) Ryan P Freeman,2016-06-09 Prince Janos of House Ulian is having a rough day No scratch that a rough life So when the watch tower he is inspecting begins exploding all around him Janos soldiers on like usual Race through the countryside of the island empire of Rumenjia as one unlucky Prince along with a stubborn local watch captain join forces with staunch Generals and legendary Wizards to confront the greatest and potentially last threat their country has ever faced their own inner darkness *The Grey Isle Tale* chronicles the last breath of a crumbling empire Adrift upon its own momentous tides of conspiracy and hate something even more sinister lurks beneath the nation s waves *The Grey Isle Tale* is the sort of story which flows from hair raising novel to epic northern legend *The Grey Isle tale* tells the story of a nation on the brink and how even the smallest gestures can tip the balance between good and evil Within experience tremors of horrific casualness matched against the indestructible bonds of friendship and kindness *The Undead and Theology* Kim Paffenroth,John W. Morehead,2012-09-21 The academy and pop culture alike recognize the great symbolic and teaching value of the undead whether vampires zombies or other undead or living dead creatures This has been explored variously from critiques of consumerism and racism through explorations of gender and sexuality to consideration of the breakdown of the nuclear family Most academic examinations of the undead have been undertaken from the perspectives of philosophy and political theory but another important avenue of exploration comes through theology Through the vampire the zombie the Golem and Cenobites contributors address a variety of theological issues by way of critical reflection on the divine and the sacred in popular culture through film television graphic novels and literature **The Scorned and the Slayer** Michael Phillips,2020-10-29 In the tropical continent of Gutom exists dense jungles and bustling cities To the north lies the nations established by the human and dwarven refugees of Umin To the south lies the native nations of Gutom For decades they have existed in a fragile state of peace with each nation waiting to pounce should their neighbors make one false move Though they remain divided by their beliefs they have often been forced to unite in order to survive the wrath of their ancient enemy

the Yansorken The Yansorken leaders the dread triumvirate have long sought to master their powers over life and death Their will to rule over the living and the dead alike has led to many wars with the people of Gutom but never have they claimed total victory over their foes Now the Yansorken seek to forge dark alliances in the hopes of succeeding where they had previously failed The Shadow Sentinels a band of outlaws addicts and misfits have come together under the guidance of a witch who seeks to preempt the Yansorken s invasion Will the Shadow Sentinels and the people of Gutom be able to put aside their differences to fend off this new invasion and if so will their combined might be enough Find out in this riveting tale of swords and sorcery *30 Days of Night: Rumors of the Undead* Steve Niles, Jeff Mariotte, 2006-03-08 In a sleepy secluded Alaska town called Barrow the sun sets and doesn t rise for more than thirty consecutive days and nights from November to December During this time a few years ago from the darkness and across the frozen wasteland an evil that normally preferred to exist in the shadows descended upon Barrow and brought the residents to their knees Barrow s only hope was Eben and Stella Olemaun a husband and wife law enforcement team who were torn between their own survival and saving the town they loved Months later as Stella Olemaun attempts to warn the world about the looming vampire threat by any means necessary a rogue government agent may be taking more than an active interest in her story And meanwhile further north a new sheriff and his young son must solve the lingering mystery of Barrow even as the survivors of the original attack prepare for the sun to set once again however this time they re ready 30 Days Of Night Rumors Of The Undead is Steve Niles s innovative and eagerly anticipated expansion of a nightmarish narrative that explores the nature of ancient evil existing and thriving in an unsuspecting modern world *The Demon Sword Master of Excalibur Academy, Vol. 1 (light novel)* Yu Shimizu, 2020-08-18 Battles for ancient kingdoms are nothing compared to the battles of a classroom Awakening from magical stasis after a thousand years the Dark Lord Leonis suddenly finds himself in the body of a ten year old boy He quickly meets Riselia a girl confronting the Voids creatures that have nearly exterminated humanity Determined to uncover the mysteries of this strange new era Leonis enrolls in Excalibur Academy a school that trains students to fight back against these enigmatic monsters Could the Voids hold some connection to Leonis s past [The Penguin Book of the Undead](#) Scott G. Bruce, 2016-09-27 The walking dead from 15 centuries haunt this compendium of ghostly visitations through the ages exploring the history of our fascination with zombies and other restless souls Since ancient times accounts of supernatural activity have mystified us Ghost stories as we know them did not develop until the late nineteenth century but the restless dead haunted the premodern imagination in many forms as recorded in historical narratives theological texts and personal letters The Penguin Book of the Undead teems with roving hordes of dead warriors corpses trailed by packs of barking dogs moaning phantoms haunting deserted ruins evil spirits emerging from burning carcasses in the form of crows and zombies with pestilential breath Spanning from the Hebrew scriptures to the Roman Empire the Scandinavian sagas to medieval Europe the Protestant Reformation to the Renaissance this beguiling array of accounts charts our relationship with spirits

and apparitions wraiths and demons over fifteen hundred years showing the evolution in our thinking about the ability of dead souls to return to the realm of the living and to warn us about what awaits us in the afterlife For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators
