more organization but overall it's a great read. An excellent resource for movie buffs. The book provides a lot of information that isn't widely known and the questions keep you hooked. It's an informative and fun experience. The only downside is that some sections could have been a bit more in depth but still a solid purchase. While the book contains some really cool facts and trivia it does lack a bit of depth in some places. It's a great way to pass the time but I was expecting a little more variety in the types of questions. Still it's a fun read for anyone interested in cinema. The Film Quiz Book is a must have for movie lovers. The facts are fascinating and well researched and I enjoyed every bit of it. It's perfect for testing your knowledge or just having a fun time with friends and family. One of the best quiz books I've come across.
