P. Tatlock,2017-11-22 Excerpt from *The Complete Poetical Works of Geoffrey Chaucer Now First Put Into Modern English* Chaucer's entire poetic works have never before been put into modern English Parts of them especially of the *Canterbury Tales* have been retold in one place or another in both prose and verse some of the latter by pens so great as Wordsworth's Pope's and Dryden's but hitherto a more nearly adequate idea of a marvelously individual and many sided poet could be obtained only through his original text That such is the best way to obtain it the present editors would be the first to urge But most readers need not be told that it can be so acquired only by dint of somewhat thorough study even more thorough than the casual reader can realize for yet more baffling than frankly obsolete words are the countless words and idioms which have subtly changed their meaning And undoubtedly such study at first may form a mist between the reader and a sympathetic comprehension of the poet The melody of his verse too which the modernizer is so grieved to disturb can be heard only by the practised ear It is believed therefore that the present volume will be welcome to a good number of cultivated people everywhere About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
