The Cyprus Issue Murat Metin Hakki, 2007-11-16 Since Britain's occupation of Cyprus in 1878 and the fall of the Ottoman Empire after the First World War ethnic rivalry has dominated the island's divided history This comprehensive collection of documentary evidence and archival sources offers an enlightening insight into the troubled political conflict of the island and seeks to illuminate the contested debate The Cyprus Issue brings together material which scrutinises relations between Cyprus and Europe over the last twenty years exploring the impact of international and constitutional law on the dispute Paying particular attention to judgements delivered by the European Court of Justice and the European Court of Human Rights this volume sets out the legal and political documents which inform the discourse on the subject Arguing that a wide range of interest groups will need greater access to legal and political documentation if Cyprus is to integrate itself fully into an ever broadening European Union this book above all provides an essential resource for scholars and researchers seeking primary source data on contemporary Cyprus

The influence of Greek and Turkish Cypriots on the Cyprus problem Kyriakos Konstanta, 2019-03-29 Seminar paper from the year 2018 in the subject Politics Topic Peace and Conflict Security grade 8 language English abstract There are people who argue that the Cyprus Problem is the result of an identity conflict between Greek and Turkish Cypriots This paper aims at evaluating the role of that conflict within a post colonial context with the help of a literature review More specifically the political life and the clashes that took place during the EOKA liberation struggle will be examined The data that will be presented in this paper indicates that the Cyprus problem is indeed a result of the conflicts between Greek Cypriots and Turkish Cypriots Nationalism that captured both the Greek Cypriot and the Turkish Cypriot communities was the main factor in provoking ethnic violence on the island Britain's colonial power has also contributed to maintaining the division between Greek Cypriots and Turkish Cypriots to serve its own sovereign interests a division that exists up to date The rejection of the different identities of the two communities led to political insecurity and discrimination

Cyprus Van Coufoudakis, 2006 This book is an extraordinarily sensitive and balanced analysis of an international crisis whose most recent phase was created in 1974 when Turkey invaded and occupied 37 percent of the island This scholarly assessment could be useful in the hands of those who honestly seek to understand the nature of the Cyprus

Grapheion Dēmosiōn Plērophoriōn, 1967 **The European Union and the Cyprus Conflict** Thomas Diez, 2002 In the lead essay for this volume Joshua Foa Dienstag engages in a critical encounter with the work of Stanley Cavell on cinema focusing skeptical attention on the claims made for the contribution of cinema to the ethical character of democratic life In this debate Dienstag mirrors the celebrated dialogue between Rousseau and Jean D Alembert on theatre casting Cavell as D Alembert in his view that we can learn to become better citizens and better people by observing a staged representation of human life with Dienstag arguing with Rousseau that this misunderstands the relationship between original and copy even more so in the medium of film than in the medium of theatre Dienstag s provocative and stylish essay is debated by an exceptional group of interlocutors comprising Clare Woodford Tracy B Strong Margaret Kohn Davide Panagia and Thomas Dumm The volume closes with a robust response from Dienstag to his critics *Resolving the Cyprus Conflict* M. Michael, 2009-11-09 By placing the conflict in its historical ideological ethno political and geostrategic context the book extends beyond conventional realist approaches and lays bare those less visible dimensions that are often ignored by analysts and policy makers alike
