The Persians:

Persians Aeschylus, 1981 *Persians* is both Aeschylus' first extant tragedy and the earliest surviving drama in the Western tradition. Because Aeschylus was there at the struggle between Greeks and Persians in the straits of Salamis in 480 B.C., the *Persians* is not merely a play but a valuable historical document. The description of the battle contained here is in fact the only account of any event in the Great Persian Wars that has been composed by an eyewitness. Lembke and Herington faithfully recreate in modern language Aeschylus' account of the frightful contrast between the human work of butchery and the serene sunlit natural background of Salamis. Though critics have argued for centuries about the veracity of the historical details, Aeschylus' poetic vision makes the *Persians* a compelling dramatic experience. The *Persians* is a succinct narrative of Iranian history from the time of Cyrus the Great in 560 BC to the present day. A succinct narrative of Iranian history from the time of Cyrus the Great in 560 BC to the present day. Traces events from the rise of the Persian empire through competition with Rome and conquest by the Arabs through to their establishment of a Persian state in the sixteenth century and finally the Islamic Revolution in 1979 and the establishment of the current Islamic Republic. Uses the most recent scholarship to examine Iran's political, social, and cultural history. Focuses on rulership as a central theme in Iranian identity. Also shows how language and literature relate to Iranian identity.

Ancient history [The Persians](#) Aeschylus, Robert Potter, 2014-12-05

The *Persians* Aeschylus. Translated by Robert Potter. An Ancient Greek Tragedy. A Superb New Edition. The *Persians* is an ancient Greek tragedy written during the Classical period of Ancient Greece by the Greek tragedian Aeschylus. It is the second and only surviving part of a now otherwise lost trilogy that won the first prize at the dramatic competitions in Athens City Dionysia festival in 472 BCE with Pericles serving as choregos. The first play in the trilogy was called *Phineus*; it presumably dealt with Jason and the Argonauts' rescue of King Phineus from the torture that the monstrous harpies inflicted at the behest of Zeus. The subject of the third play, *Glaucus*, was either a mythical Corinthian king who was devoured by his horses because he angered the goddess Aphrodite (see *Glaucus*, son of Sisyphus) or else a Boeotian farmer who ate a magical herb that transformed him into a sea deity with the gift of prophecy (see *Glaucus*). The *Persians* takes place in Susa, which at the time was one of the capitals of the Persian Empire, and opens with a chorus of old men of Susa who are soon joined by the Queen Mother Atossa as they await news of her son King Xerxes' expedition against the Greeks. Expressing her anxiety and unease, Atossa narrates what is probably the first dream sequence in European theatre. This is an unusual beginning for a

tragedy by Aeschylus normally the chorus would not appear until slightly later after a speech by a minor character An exhausted messenger arrives who offers a graphic description of the Battle of Salamis and its gory outcome He tells of the Persian defeat the names of the Persian generals who have been killed and that Xerxes had escaped and is returning The climax of the messenger's speech is his rendition of the battle cry of the Greeks as they charged On sons of Greece Set free Your fatherland your children wives Homes of your ancestors and temples of your gods Save all or all is lost 401 405 At the tomb of her dead husband Darius Atossa asks the chorus to summon his ghost Some remedy he knows perhaps Knows ruin's cure they say On learning of the Persian defeat Darius condemns the hubris behind his son's decision to invade Greece He particularly rebukes an impious Xerxes decision to build a bridge over the Hellespont to expedite the Persian army's advance Before departing the ghost of Darius prophesies another Persian defeat at the Battle of Plataea 479 BCE Where the plain grows lush and green Where Asopus stream plumps rich Boeotia's soil The mother of disasters awaits them there Reward for insolence for scorning God Xerxes finally arrives dressed in torn robes grief swarms the Queen says just before his arrival but worst of all it stings to hear how my son my prince wears tatters rags 845 849 and reeling from his crushing defeat The rest of the drama 908 1076 consists of the king alone with the chorus engaged in a lyrical kommos that laments the enormity of Persia's defeat
