The Plot Against Fidel:

Alleged Assassination Plots Involving Foreign Leaders, 1975 Alleged Assassination Plots Involving Foreign Leaders United States. Congress. Senate. Select Committee to Study Governmental Operations with Respect to Intelligence Activities, 1975 *Martyrs to the Unspeakable* Douglass, James W., 2025-10-29 *Watergate: The Hidden History* Lamar Waldron, 2013-06-01 A groundbreaking investigation into the events of the Watergate Scandal complete with fascinating new material all exhaustively researched in the author's customary style The New York Observer While Richard Nixon's culpability for Watergate has long been established what's truly remarkable is that after almost fifty years conventional accounts of the scandal still don't address Nixon's motive Why was President Nixon willing to risk his reelection with so many repeated burglaries at the Watergate and other Washington offices in just a few weeks What motivated Nixon to jeopardize his presidency by ordering the wide range of criminal operations that resulted in Watergate What was Nixon so desperate to get at the Watergate and how does it explain the deeper context surrounding his crimes For the first time the groundbreaking investigative research in *Watergate: The Hidden History* provides documented answers to all of those questions It adds crucial missing pieces to the Watergate story information that President Nixon wanted but couldn't get and that wasn't available to the Senate Watergate Committee or to Woodward and Bernstein This new information not only reveals remarkable insights into Nixon's motivation for Watergate but also answers the two most important remaining questions What were the Watergate burglars after And why was Nixon willing to risk his Presidency to get it *Watergate: The Hidden History* reexamines the historical record including new material only available in recent years This includes thousands of recently declassified CIA and FBI files newly released Nixon tapes and exclusive interviews with those involved in the events surrounding Watergate ranging from former Nixon officials to key aides for John and Robert Kennedy This book also builds on decades of investigations by noted journalists and historians as well as long overlooked investigative articles from publications like *Time* magazine the *Los Angeles Times* and the *New York Times* The Plot Against Fidel Isaac Flores, 2005-06 *The Plot Against Fidel* is an insider's novel set during two periods of radical changes in the turbulent transformation of Cuban society ruthlessly crafted by the Fidel Castro revolution over more than four decades It depicts actual historical events in the 1960s and again in the 1990s as two half brothers work in separate ways to enlighten the outside world about the suffering deprivation and torture taking place on that beautiful island nation Edward Langley becomes the first resident American correspondent in Havana shortly after the Bay of Pigs and the October Missile Crisis His brother Miguel Hidalgo is a Cuban born rancher who undergoes the hell of the Communist regime's political prisons and eventually becomes an underground guerrilla The half brothers meet for the first time since boyhood during the early revolutionary days of the 1960s They reunite again in the 1990s in Havana the American a semi-retired writer on a nostalgia tourist trip the Cuban now a notorious counter-revolutionary jefe known as the Falcon Instead of convincing his brother to

abandon his dangerous seemingly hopeless struggle against the powerful regime Edward convinces himself to join in Miguel's efforts to overthrow the government Finally for once it appears that rebels have the perfect plan and the necessary support to assassinate Fidel Castro and change the course of Cuba's troubled history Alleged Assassination Plots Involving Foreign Leaders United States. Congress. Senate. Select Committee to Study Governmental Operations with Respect to Intelligence Activities, 1976 **The JFK Assassination Debates** Michael L. Kurtz, 2006 William L. Kurtz delivers a comprehensive thought provoking book about the various theories surrounding the JFK assassination favoring the conspiracy theory himself *Legacy of Secrecy* Lamar Waldron, Thom Hartmann, 2009-03-01 This painstakingly researched follow up to *Ultimate Sacrifice* draws on explosive new material from the National Archives to piece together the puzzle of JFK's assassination *Vanity Fair* A riveting take on the assassination itself and the devastating results of government secrets Publishers Weekly John F. Kennedy's assassination launched a frantic search to find his killers It also launched a flurry of covert actions by Lyndon Johnson Robert F. Kennedy and other top officials to hide the fact that in November 1963 the United States was on the brink of invading Cuba as part of a JFK authorized coup The coup plan's exposure could have led to a nuclear confrontation with Russia but the cover up prevented a full investigation into Kennedy's assassination a legacy of secrecy that would impact American politics and foreign policy for the next forty five years It also allowed two men who confessed their roles in JFK's murder to be involved in the assassination of Dr. Martin Luther King in 1968 Exclusive interviews and newly declassified files from the National Archives document in chilling detail how three mob bosses were able to prevent the truth from coming to light until now Oswald, the C.I.A. and the Warren Commission, the Unanswered Question Peter Kross, 1997 **The CIA & the Security Debate, 1971-1975** Judith F. Buncher, 1976 *Time* Briton Hadden, Henry Robinson Luce, 1960 Cuban Revolution Reader Julio García Luis, 2001 Part of a series of books to be published to coincide with the 40th anniversary of the Cuban revolution this anthology is based upon primary source material and documents the key moments of the revolution and its impact outwith Cuba The Final Assassinations Report United States. Congress. House. Select Committee on Assassinations, 1979 **Trained to Kill** Antonio Veciana, Carlos Harrison, 2017-04-18 Antonio Veciana fought on the front lines of the CIA's decades long secret war to destroy Fidel Castro the bearded bogeyman who haunted America's Cold War dreams It was a time of swirling intrigue involving US spies with license to kill Mafia hit men ruthless Cuban exiles and the leaders in the crosshairs of all this dark plotting Fidel Castro and John F. Kennedy Veciana transformed himself from an asthmatic banker to a bomb making mastermind who headed terrorist attacks in Havana and assassination attempts against Castro while building one of the era's most feared paramilitary groups all under the direction of the CIA In the end Veciana became a threat not just to Castro but also to his CIA handler Veciana was the man who knew too much Suddenly he found himself a target framed and sent to prison and later shot in the head and left to die on a Miami street When he was called before a Congressional committee investigating the Kennedy assassination

Veciana held back fearful of the consequences He didn't reveal the identity of the CIA officer who directed him the same agent Veciana observed meeting with Lee Harvey Oswald in Dallas before the killing of JFK Now for the first time Veciana tells all detailing his role in the intricate game of thrones that aimed to topple world leaders and change the course of history Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
