George Noory

The Turkey Ball:

The Turkey Ball David Steinberg, 2005 Spend the evening with some stylish turkeys in this rollicking rhyming story that chronicles an enchanted evening with a group of turkeys on their way to the social event of the season *George Noory's Late-Night Snacks* George Noory, 2013-11-05 It's just after two a.m. in Los Angeles and there are only a few cars on the 405. On the East Coast the diners have yet to open for the morning rush. It's too late for dinner, too early for breakfast, and there's nothing in your freezer to throw in the microwave. You're looking for something a little sweet or a little salty or maybe a little of both to keep the midnight munchies at bay in the long hours before dawn. What's to eat? George Noory has put together the ultimate after-midnight cookbook *Late Night Snacks* for late night radio. Whether you're hankering for nostalgic treats like homemade Toaster Tarts or rib-sticking Dumplings Love You or something more exotic like spicy Hurried Curry Pockets or Asian Fusion Salad, George Noory shows you how to whip up quick delicious snacks with whatever ingredients are lying around your kitchen in the wee hours. Featuring more than a hundred of his personal, tasty and above all, easy recipes, *Late Night Snacks* is sure to satisfy the cravings of night owls transfixed by stories of the paranormal, UFOs, past lives, ghosts, and things that go bump in the night. From Lady Ralston's Kitchen Lady Carolyne Lederer-Ralston, 2025-07-18 Lady Carolyne Lederer-Ralston is a creative cook by nature. She rarely uses cookbooks, preferring to develop her own original, no-waste recipes inspired by diverse sources and cultures, particularly European foodstuffs. Documenting her process with meticulous handwritten notes, some dating back decades, she recreates dishes later in her spirit-filled kitchen. She keeps copious handwritten notes while she cooks so she can return to the notes promptly to recreate the recipe in proper printed form. Some of her original recipes go back to the 1970s, long before *Gourmet* became the buzzword; it is today. A natural multi-tasker, she balanced a demanding full-time career with preparing full homemade meals daily. Planning and organization, *mise en place* are vital to her approach, as is a well-stocked pantry. She includes practical hints within her recipes, and readers often say they feel she's right there with them in the kitchen, a compliment Lady Ralston cherishes.
