# The Tyranny Of Gun Control

**Richard Poe**

## **The Tyranny Of Gun Control:**

*The Tyranny of Gun Control* Richard M. Ebeling and Jacob G. Hornberger, 1997-01-01 The right to own firearms is one of the most fundamental inherent rights of man Not only do individuals have the natural God given right to own property they also have the basic right to defend themselves from murderers rapists thieves burglars and other violent antisocial people in society Most important individuals have the right to defend themselves from the oppressive tyrannical acts of their own government This book shows why gun control poses an enormous threat to the liberty of the American people It is a must read for anyone concerned about the future direction of freedom in the United States *Gun Control* Wilbur

Edel, 1995-04-30 Federal restrictions on the sale and possession of some firearms were introduced during Prohibition when illegal rumrunners battling for territorial rights commonly used machine guns to destroy the opposition More sweeping legislation was not passed until 1968 and from that time on the struggle has been between pro and anti control forces with more controls created at state and local levels than at the federal level However the mood in Washington has turned and the question now is how the country can be weaned away from the violence that pervades every aspect of living from lawlessness to literature entertainment and even children s toys This book traces the history of these gun control measures from the early days to our own violent age This is a study of a part of American history that deals not just with gun control as such but with basic concepts of personal liberty government responsibility and the fear of tyranny All three of these influenced the people who took up arms in the American Revolution and who for decades afterward resisted every effort of the central government to substitute a standing army for the armed militia of the states As the nation grew in size and population the need for a standing army became apparent and the nature of the militia changed from that of a purely state organization to an adjunct of the regular army Still the view that private individuals were entitled to purchase and keep firearms for their personal use persisted That this was not a constitutional right was made clear by the Supreme Court in a series of cases beginning as early as 1876 Federal restrictions on the sale and possession of some firearms were introduced during Prohibition when illegal rumrunners battling for territorial rights commonly used machine guns to destroy the opposition More sweeping legislation was not passed until 1968 and from that time on the struggle has been between pro and anti control forces with more controls created at state and local levels than at the federal level However the mood in Washington has turned and the question now is how the country can be weaned from the violence that pervades every aspect of living from lawlessness to literature entertainment and even children s toys *"Gun Control"* Jay Simkin, Aaron S. Zelman, 1993 This book contains the German language original of the Nazi Weapons Law of March 18 1938 a page by page translation and then a page by page comparison with the U S Gun Control Act of 1968 Analysis shows the organizational and textual similarities between these Nazi and U S laws Other chapters feature copies of several implementing regulations in full text German and English including the infamous 1938 regulation prohibiting Jews from possessing weapons An official letter shows that Sen Thomas

Dodd asked for and received from the Library of Congress a translation of the Nazi law at the time that he was sponsoring the similar bill in Congress Interviews with Holocaust survivors discuss how civilian disarmament played a crucial role in the Nazi extermination program 128 pages photos

**Gun Control** Matt Doeden,2011-10-01 Examines the history of gun control including statistics legislation and expert opinions from both sides of the debate [The Truth About Gun Control](#)

David B Kopel,2013-04-16 Who is sovereign in the United States Is it the people themselves or is it an elite determined to rule citizens who are seen as incapable of making choices about their own lives This is the central question in the American gun control debate In this Broadside David Kopel explains why the right to keep and bear arms has always been central to the American identity and why Americans have always resisted gun control The American Revolution was sparked by British attempts to confiscate guns After the Civil War the U S changed the Constitution to defeat the nation s first gun control organization the Ku Klux Klan When Hitler and Stalin demonstrated how gun registration paves the way for gun confiscation which paves the way for genocide Americans resolved to make sure it never happens here Gun control is not an issue of left vs right or urban vs rural The right to bear arms is crucial to prevent large scale tyranny by criminal governments and small scale tyranny by ordinary criminals and to protect our Constitution

*The Second Amendment and Gun Control* Kevin Yuill,Joe Street,2017-09-14 The Second Amendment by far the most controversial amendment to the US Constitution will soon celebrate its 225th anniversary Yet despite the amount of ink spilled over this controversy the debate continues on into the 21st century Initially written with a view towards protecting the nascent nation from more powerful enemies and preventing the tyranny experienced during the final years of British rule the Second Amendment has since become central to discussions about the balance between security and freedom It features in election contests and informs cultural discussions about race and gender This book seeks to broaden the discussion It situates discussion about gun controls within contemporary debates about citizenship culture philosophy and foreign policy as well as in the more familiar terrain of politics and history It features experts on the Constitution as well as chapters discussing the symbolic importance of Annie Oakley the role of firearms in race and filmic representations of armed Hispanic girl gangs It asks about the morality of gun controls and of not imposing them The collection presents a balanced view between those who favour more gun controls and those who would prefer fewer of them It is infused with the belief that through honest and open debate the often bitter cultural divide on the Second Amendment can be overcome and real progress made It contains a diverse range of perspectives including uniquely a European perspective on this most American of issues

*Encyclopedia of Gun Control and Gun Rights* Glenn H. Utter,2000 A listing of the court cases personalities laws and groups involved in the regulation of guns The book begins with an essay on the issues in the gun control battle and a short guide to the court cases and groups involved placing them in the opposing camps The entries which are balanced and well written include photographs and charts Libr J

**The Second Amendment and Gun Control Laws as a Subject of Debate** Lisa

Schreinemacher,2019-08-26 Seminar paper from the year 2019 in the subject American Studies Culture and Applied Geography grade 1 7 University of Bonn language English abstract This study is concerned with the historical development of the Second Amendment and how it is interpreted today In doing so John Vile s A Companion to the United States Constitution and its Amendments and Adam Winkler s Gun Fight have been consulted to provide background information on the history of the Second Amendment Due to the fact that this term paper also deals with current statistics on gun control laws it also relied on online research and online publications Firstly there will be a chapter that deals with the original intent of the founding fathers who framed the Second Amendment to the United States Constitution It will provide an historical overview of the creation of the Second Amendment and what led to its inclusion into the Bill of Rights It further tries to explain the founder s interpretation of the Second Amendment with regards to the militia The third chapter will focus on the question of how the National Rifle Association was able to rewrite the Second Amendment in order to gain more profit and get support for gun rights The chapter will present the approach taken by the NRA that resulted in a new interpretation of the Second Amendment and established the perception of an individual right to possess firearms within American society It will take into account the Supreme Court cases of United States v Miller of 1939 and District of Columbia v Heller of 2008 that ultimately guaranteed an individual s right to own firearms without any connection to a militia Another chapter will focus on gun control laws and provide a comparison between the United States and other developed countries Furthermore this chapter will give an insight into the perception of the Second Amendment within American society and discusses current gun control policies Finally the last paragraph of this term paper will be a conclusion which sums up the results achieved and gives an outlook for future research on the Second Amendment and gun control laws

**Guns and Conspiracies** John Bruce Crook,2000 Gun Control Thomas Streissguth,2001 Explains the history of guns and gun laws in the United States Discusses the role played by the National Rifle Association in the fight against gun control and the stand of those working for stricter gun control laws *The Political Junkie Handbook* Michael Crane,2004 This easy to use book is designed to inform the American public about the political system that influences much of their lives *The Gun Control Debate* Lee Nisbet,1990 Presents conflicting views on the gun control controversy Congressional Record United States. Congress,1968 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

**Beyond Control** Jacob Sullum,2025-09-02 In this incisive book Reason editor Jacob Sullum untangles America s twin crusades against guns and drugs suggesting better tailored alternatives that do more good while causing less harm Does gun control work What about drug prohibition In this cogent examination of two of America s most enduring challenges Reason Senior Editor Jacob Sullum traces the evolution of

gun and drug laws from their dubious beginnings to today's divisive rhetoric. Based on data-driven analysis and compassionate consideration of the human costs imposed by the twin crusades against guns and drugs, Sullum recommends an alternative approach that focuses on reducing harm, including the harm caused by misguided policies. Sullum exposes the racist roots of gun control and drug control, noting that both policies continue to have a racially disproportionate impact. Even leaving aside the legacy of that dark history, he argues both policies are unjust because they punish people for conduct that violates no one's rights. They are also dangerous to civil liberties because they encourage the expansion of government power at the expense of individual freedom. The burdens imposed by gun control and drug control reinforce each other since gun possession increases penalties for drug offenses and drug offenses disqualify people from legally possessing guns. Yet there is little logic to these legal regimes which penalize people for behavior that is not inherently criminal. Decades of research have produced scant evidence that popular gun control prescriptions such as assault weapon bans, universal background checks, restrictions on ownership, and red flag laws work as advertised. Research on the impact of the war on drugs likewise provides little reason to believe that its doubtful benefits outweigh its myriad costs. In both cases, the burdens often fall on peaceful individuals who pose no threat to public safety, and the policies seem ill-designed to reduce the problems they aim to address. Sullum notes that critics of gun control and critics of the war on drugs make similar points, complaining that these policies are unfair, invasive, poorly targeted, and ineffective. But because these two sets of critics tend to come from opposing political camps, they usually overlook their common ground. Beyond Control surveys that territory, showing that conservatives and progressives share concerns about overcriminalization, overzealous law enforcement, draconian penalties, and the erosion of civil liberties. Substance abuse, violence, and suicide are complex problems that cannot be solved by targeting inanimate objects or by arresting and incarcerating people who possess them. Beyond Control urges better-tailored alternatives that would do more good while causing less harm.

**Guns and Crime** Tamara L. Roleff, 2000. Present articles discussing a variety of gun control issues.

**The Seven Myths of Gun Control** Richard Poe, 2001. According to a recent report by the Media Research Center, television news stories calling for stricter gun laws outnumbered newscasts opposing such laws by a ratio of 10 to 1. In other words, we are hearing only one side of the story. No wonder so few people are equipped to debate the issue of guns intelligently. The 7 Myths of Gun Control is a readable, easy-to-use guide for people confused and frustrated by the blizzard of anti-gun propaganda. It details the seven most common arguments used by gun prohibitionists, debunking each one with a wealth of statistical and legal data gleaned from top experts in the field of guns and gun rights. Award-winning journalist and bestselling author Richard Poe distills the pro-gun arguments into readable, bite-sized chunks designed to appeal to a mass audience. The seven myths that Poe exposes are: 1. guns increase violent crime, 2. pulling a gun on a criminal endangers you more than the criminal, 3. guns pose a special threat to children, 4. the Second Amendment applies only to militiamen, 5. the Second Amendment is an obsolete relic of the frontier era, 6. we should treat guns the same way we

### **The Tyranny Of Gun Control Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Tyranny Of Gun Control free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Tyranny Of Gun Control free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Tyranny Of Gun Control free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available

for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Tyranny Of Gun Control. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Tyranny Of Gun Control any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About The Tyranny Of Gun Control Books

1. Where can I buy The Tyranny Of Gun Control books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Tyranny Of Gun Control book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Tyranny Of Gun Control books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Tyranny Of Gun Control audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide

- selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
  9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
  10. Can I read The Tyranny Of Gun Control books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
