

WHAT IS ULTIMATE REALITY?

- If we begin with impersonal matter/energy, there are only two other factors that exist: time and chance. No one has ever demonstrated how time and chance, beginning with the impersonal, could ever account for all the complexities of the universe, including the personality of man.
- The best explanation is that the universe had a Personal beginning.

The Ultimate Reality:

The Ultimate Reality and Realization Iqbal Kishen Taimni,1976 Commentary on Vasugupta sivas tra a basic text of Kashmir Saivism an interpretation of the text as a book of occult science **The Ultimate Reality** Gian Kumar,22-12-14 Gian Kumar Discusses the Power of Oneness in the last book of his 3 volume series He deals with this core reality and the struggle imbedded in living lives of duality in the material and technological world Happiness unhappiness good bad God Devil all exist as One Despite the teachings of spiritual gurus and masters life fails to give us the much needed solace Something remains missing The mind with its constant chatter and habit of delving into past experiences or anxieties about the future does not permit us to live in the present moment in awareness of the now By the time the mind registers this moment it has already passed and a new now has taken its place In this final volume the author delves into a deeper existence where through experiential realization we are able to go beyond the mind with its dual thoughts to a state of higher consciousness He shows us methods we can use to attain this state and thus enter the no mind zone the experience of which takes us to our core centralizing the extremes of duality and helping us attain awareness of being one wit the Universe

Brahmavidya or The Knowledge of the Ultimate Reality D B Gangolly , This is the fifth of a series of small books under the head Satchidaananda Vaak Jyoti or The Enlightening Words of Satchidaananda All these booklets contain a free transliteration of the enlightening and immortal words and teachings of Shri Satchidaanandendra Saraswati Swamiji of revered memory found in his numerous Kannada books Those readers who do not have the facility and advantage of reading and understanding books in the Kannada language will be immensely benefited by these English publications written in simple language and style This small plan of publishing these gems of spiritual literature unrivalled in their esoteric import and teachings of the highest order and based on the pristine pure original Bhashyas of Adi Shankara was first mooted by Shri D B Gangolli a devotee and admirer of Swamiji It is an irony of our times that even that great Acharya s immaculate teachings of Atma Vidya or Self Knowledge purely based on the strength of the Upanishadic statements their veracity based on Intuitive dialectics or ratiocination called Anubhavaanga Tarka and finally on the strength of the culmination or consummation of all those teachings in one s own Intuitive experience here and now have been distorted beyond recognition and redemption Aware of the Ultimate Reality J. Finding Ultimate Reality David W. Gooding,John C. Lennox,2018-11-16 We need a coherent picture of our world Life s realities won t let us ignore its fundamental questions but with so many opposing views how will we choose answers that are reliable In this series of books David Gooding and John Lennox offer a fair analysis of religious and philosophical attempts to find the truth about the world and our place in it By listening to the Bible alongside other leading voices they show that it is not only answering life s biggest questions it is asking better questions than we ever thought to ask In Book 2 Finding Ultimate Reality they remind us that the authority behind ethics cannot be separated from the truth about ultimate reality Is

there a Creator who stands behind his moral law Are we the product of amoral forces left to create moral consensus Gooding and Lennox compare ultimate reality as understood in Indian Pantheistic Monism Greek Philosophy and Mysticism Naturalism and Atheism and Christian Theism *Deliberation on the Ultimate Reality culminating in Intuitive Experience* D B Gangolly , This is the fourth of a series of small books under the head Satchidaananda Vaak Jyoti or The Enlightening Words of Satchidaananda All these booklets contain a free transliteration of the enlightening and immortal words and teachings of Shri Satchidaanandendra Saraswati Swamiji of revered memory found in his numerous Kannada books Those readers who do not have the facility and advantage of reading and understanding books in the Kannada language will be immensely benefited by these English publications written in simple language and style This small plan of publishing these gems of spiritual literature unrivalled in their esoteric import and teachings of the highest order and based on the pristine pure original Bhashyas of Adi Shankara was first mooted by Shri D B Gangolli a devotee and admirer of Swamiji It is an irony of our times that even that great Acharya s immaculate teachings of Atma Vidya or Self Knowledge purely based on the strength of the Upanishadic statements their veracity based on Intuitive dialectics or ratiocination called Anubhavaanga Tarka and finally on the strength of the culmination or consummation of all those teachings in one s own Intuitive experience here and now have been distorted beyond recognition and redemption Is Ultimate Reality Unlimited Love? Stephen G. Post,2014-05-12 This book draws from previously unpublished letters and interviews with physicists theologians and Sir John s close associates and family to present Sir John s ideas on pure unlimited love Post who was in dialogue with Sir John for fifteen years on this topic and who had founded the Institute for Research on Unlimited Love www.unlimitedloveinstitute.com addresses how John Templeton arrived at his philosophy as a youth growing up in Tennessee Post also shares how classical Presbyterian ideas came to synergize in his mind with the more Eastern influences of American transcendentalism and the Unity School of Christianity and ponders if Sir John truly believed that science and spirituality might fully converge on the same view of Ultimate Reality with their very different ways of knowing Is Ultimate Reality Unlimited Love presents Sir John s hope for spiritual progress with the eventual convergence of ultimate reality and unlimited love **The Ultimate Reality** Gian Kumar,2013-09-28 In this third book the author Gian Kumar has ventured into experiential awareness His earlier books had shown that in spite of material and digital comforts in the world today we are still living a life of dualities Happiness unhappiness good bad God devil all exist side by side Following spiritual teachings of gurus or masters do not give the much needed solace there still seems to be something missing The mind with its constant chatter and habit of delving into past experiences and anxieties about the future does not allow to live in the present moment and be aware in the now By the time our mind can register it there is already a new now which has taken its place Here the author has brought us into a deeper existence where through experiential realization and higher consciousness he has shown us by what methods we can attain this state This brings us to the core centralizing both extremes helping us to realize an awareness of oneness with the
