Calvin Miller

The Unchained Soul:

The Unchained Soul Calvin Miller, 1998 Written by one of Christianity's best loved authors this work examines the timeless principles of the Christian life that liberated Augustine Madame Guyon Brother Lawrence Teresa of Avila Julian of Norwich Bernard of Clairvaux Jean Pierre de Caussade John Bunyan and Thomas a Kempis Originally in hardcover titles Walking With Saints **A Journey to the Cross** David L. Packer, 2016-02-04 For serious followers of Jesus Christ Lent is an opportunity to confront our own selfish tendencies and to humble ourselves before God Since the seventh century Christians have discovered real spiritual benefit as they have observed a season of spiritual emphasis before Easter a forty day fast over six weeks from Ash Wednesday to Easter This book is a devotional guide based on the Sermon on the Mount to help believers examine themselves and to deepen in their love and commitment for Christ Despite persecution in many places on the globe Christians today have a greater share of this world's wealth than previous generations Wise believers have always been more concerned about the pollution of the church by the world from within than the threats against the church from without Materialism pride and self centeredness are issues that every generation of Christ followers must address this is where the real spiritual battle takes place This devotional guide is personal and introspective guiding the believer to examine himself against the biblical standard and to refocus his life on Christ It is a celebration of the Savior's constant love and mercy that forgives our sins cleanses us within lifts us up and draws us to His face and His heart **William Blake** Alfred Thomas Story, 1893 **The Homiletic Review**, 1900 **The River of Life** John St. Loe Strachey, 1924 *The Coast*, 1908 *The American Hebrew*, 1896 **The Long Walk Home** Raymond J. Castellani, 2017-02-02 The Long Walk Home will most likely be the last book I write I am eighty three years old this book is important to me it goes over to a degree what has been said in my previous books The End Was A Beginning the first the second The Silent Voice in much more detail it is threaded with the never ending presence of loneliness but more significantly it brings forth the Four Absolutes Honesty Purity Unselfishness Love which were given to me in 1986 I have talked about these principles in my previous books I made clear that if these principles were incorporated in society at hand the world would change in an instant this I believe is the power of these four words the society that exists at present the persistence of selfishness self centeredness permeated with dishonesty beyond reproach the distortion of purity the use of the word love as a panacea to cover the vile of discontent that exists in the world as is lived in every crime every murder every twisted thought every lie every selfish act every thought of hate would be reduced to the pleasantries of memory I cannot predict where society will rest seventy years from now 2016 I do know that in 1927 the world population was two billion 1960 three billion 2011 seven billion projection 2083 ten billion will make up our society if the culture is not changed the present will be a reality for the future this may be a morbid statement it is a true statement for sure society is doing nothing to change the silhouette as is known the simple life is but a dream of realities taken from the books well read by masters of the past what is our destiny **United States Naval Institute Proceedings**
