True Bliss:

Order of the Day Daljit Singh Jawa,2016-11-11 In Appreciation No matter what the occasion every Sikh religious service concludes with the reading of a hymn from the Guru Granth Sikhs in attendance listen to it most raptly so as to understand this guiding message from the Guru Granth But understanding the sacred poetry of Gurbani is not always so easy At least four complete translations in English of the entire Guru Granth exist by Manmohan Singh Gopal Singh Gurbachan Singh Talib and Pritam Singh Chahal along with many excellent translations of selections of Gurbani However Daljit Singh Jawa's work is different Mr Jawa does not provide a literal translation of the entire shabad Instead he gives the central idea of the shabad followed by a commentary on its theme and essential meaning This would automatically enhance an understanding of the shabad Sikhism teaches that the only way for a Sikh to talk to his Guru the only way that the Guru in the Guru Granth comes alive is when a Sikh reads and tries to understand the word of the Guru Mr Jawa's work a labor of love is an attempt to facilitate the latter Sikh tradition dictates that this hymn is the one on the left page when the Guru Granth is opened at random which usually means the middle half or so of the Guru Granth Mr Jawa's novel attempt takes advantage of this and his book covers only the first shabad on the left even numbered folia from pages 300 to 1100 Sikhs everywhere will find this book most useful as long as they are not content merely to read it as the final word but take it as a guide to foster further thinking and understanding about what they are reading I J Singh DDS PhD August 12 1995 New York

The Tantra Experience Osho,2012-02-14 This life is a gift from existence to be lived and enjoyed But with the seemingly impossible and conflicting demands of society morality and culture people struggle with feelings of unfulfilled potential frustration and guilt rather than living full lives The world of Tantra has no division between higher and lower The simple ordinary things of life are transformed into great things when we enter into them totally be it car fixing floor cleaning or lovemaking Osho shows how living this vision new heights of consciousness and freedom are realized The days of tantra are coming Sooner or later tantra will explode for the first time in the masses because for the first time the time is ripe ripe to take sex naturally One thing to be remembered always if you are not very alert you may go on believing that you are moving into tantra and you may be simply rationalizing your sexuality it may be nothing but sex rationalized in the terminology of tantra If you move into sex with awareness it can turn into tantra If you move into tantra with unawareness it can fall and become ordinary sex
