True Discipleship (with Study Guide)

William MacDonald, 2016-12-05 A disciple can be forgiven if he does not have great mental ability or physical prowess. But he cannot be excused if he does not have zeal. If his heart is not aflame with a red hot passion for the Saviour, he stands condemned. After all, Christians are followers of the One who said, "Zeal for Your house has eaten Me up" (John 2:17). Their Saviour was consumed with a passion for God and for his interests. Those who are constrained by the love of Christ will count no sacrifice too great to make for Him. *True Discipleship Companion Guide* John Koessler, 2003-03 In *True Discipleship* and its companion guide, Koessler provides a straightforward presentation of the characteristics Jesus laid out for His disciples. As the author offers teaching on the practice of discipleship and the responsibility of being a disciple, readers can be stretched in their thinking and encouraged in their journeys. *Discipleship Bible* John A. Stewart, This topical Bible Study addresses the doctrine of New Testament discipleship as Jesus said, "Go and make disciples." This study is ideal for personal, small group, and congregational use. **Discipleship For Beginners A Study Guide** Simon Kennard, 2016-11-08 Discipleship is nothing but true belief in God. It is generally thought that disciples were those early followers of Jesus. However, that is not true, and anyone can be a true disciple, and all it needs is dedication. In fact, the true definition is a dedicated and committed follower or student of a teacher, leader, or philosopher. In my book, it is all about this, and much more; it will guide you through what is required from a true disciple and also will help you understand as to what the Bible says about Discipleship. **The Exegetical Study Guide Series** A. T. Steele, A. T. Steele M. Div. M. A., 2009-06 Do you have a desire to know the on-the-ground facts concerning the validity of the New Testament? Have you ever wanted to know what the original languages were and what they said, and to stop relying upon one published translation after another without studying the languages? Want a different kind of New Testament commentary that is not boring and will excite you to understand how and why the New Testament came to be? Need solid proof of the validity of the New Testament and the statements of the Messiah? Desire a ground-breaking work that will unite the pages of history with the pages of the Bible? The Exegetical Study Guide Series by A. T. Steele will provide the reader with understandable yet technical access to the original language without having ever taken one course to do so. Far from being a surface-level study, this book will draw the reader into the richness and depth of the New Covenant concept, rife with life applications. Prepare to understand the original New Testament content as it was intended to be understood by its original authors. It is a beginner's guide to deeper New Testament study, as well as a long-awaited work for the Bible student and can be utilized in personal and group studies, collegiate pursuits, and as a reference for research. Steele's methods of explaining the original Greek of the New Testament and demonstrating how it is translated is a carefully crafted and designed for the average reader and is positively unlike anything else found on the subject. The reader will assuredly walk away from the book with a new outlook on how the New Testament came to be and how

history was awakened in the first century This book should be in the hands of any serious student of biblical exegesis and every serious Christian who is on the path of real discipleship *Growing True Disciples* George Barna,2013-03-06 Christ's command to the church is clear Go therefore and make disciples of all nations It is in building disciples helping others to embrace Jesus Christ as Savior and Lord mature in him and then lead others to do the same that the Kingdom grows And when the Kingdom grows churches do too In *Growing True Disciples* respected author and researcher George Barna helps pastors and leaders assess how their churches are doing in fulfilling their role as disciplinarians And he reveals models and examples that will equip churches to dramatically increase their effectiveness As a result your church can begin to see more involved members who want to live out their faith in submission to God and joyfully share their resources to fulfill Christ's commission *Invitation to Educational Ministry* George Hillman,Sue Edwards,2018-09-25 Because teaching is at the heart of Christian ministry the editors of *Invitation to Educational Ministry* have assembled a team of seasoned experts to present a comprehensive plan of Christian education This volume will help church staff parachurch leaders and small group teachers become more effective influential and creative After laying a biblical and practical foundation for Christian education the contributors provide specific guidance on teaching a variety of individuals and groups including children adults singles seniors and non Christians The final section shares valuable insights on leading small groups teaching innovatively and overseeing a healthy educational ministry among other topics Each chapter is designed to equip educators with the most relevant information and includes many useful features Real life case studies Scriptural support Explanations of key terms and concepts Practical suggestions Resources for additional study Sidebars illustrating best principles and practices *SCM Studyguide: Preaching* Peter K. decidedly Christian framework Resisting the urge to instruct with a more polemical voice the SCM Studyguide to Church Leadership will encourage ordinands and trainee church leaders to reassess modern pressures and priorities and to re orient creatively around the callings giftings and approaches that are suitable to Christ and particular to the Church From Now On...
