Baldwin,Vicki L. Crawford,2019 Reclaiming the Great World House in the 21st Century Cross Disciplinary Explorations of the Vision of Martin Luther King Jr does just that Established and emerging scholars explore Martin Luther King Jr s global vision and his lasting relevance to a globalized rights culture The editors further explain that this edited collection looks at King afresh in his own historical context while also refocusing his legacy of ideas and social praxis in broader directions for today and tomorrow Employing King s metaphor of the great world house with major attention to racism poverty and war or what he called the evil triumvirate the focus is on King s appraisal of and approach to the global human struggle in the 1950s and 60s and on the extent to which his social witness and praxis takes on new hues and pertinence not only in the ongoing struggles against racism poverty and economic injustice and violence and human destruction but also in the mounting efforts to eliminate problems such sexism homophobia and religious bigotry and intolerance from the global landscape The conclusion is that King s ideas and models of social protest are not only alive but also growing in vitality and popularity in the 21st century especially as humans worldwide are struggling daily with the lingering antiquated thinking and behavior around race and ethnicity the widening gap between the haves and the have nots the mounting cycles of violence torture and terrorism and the frustrating and growing chasms resulting from religious pluralism and the subordination and marginalization of certain sectors of the human family based on gender and sexuality *Quarterly Review of the Evangelical Lutheran Church* ,1910 **The Lutheran Quarterly** ,1910 *The Martin Luther King, Jr., Encyclopedia* Clayborne Carson,2008-01-30 Alphabetically arranged entries about the life and works of Martin Luther King Jr cover his relationships with other African American leaders relatives and associates his theological and political influences and his political allies and opponents aswell as major events in his life Treasury of Thought Maturin Murray Ballou,1884 **New England Journal of Black Studies** ,1989 *Spiritual People, Radical Lives* Gary Commins,1996 *Spiritual People Radical Lives* is a study of the lives of A J Muste Dorothy Day Martin Luther King and Thomas Merton that uncovers the countless ways in which their integration of spirituality into social action can be held as an example to all Christians **The Wisdom of Martin Luther King, Jr** Martin Luther King (Jr.),1993 Dr King s personality is better known than what he said or stood for and his violent death has overshadowed his life and message of hope Drawing
