## **Trumpet In Darkness:**

Trumpet in Darkness, Preaching to Mourners Robert G. Hughes,1997-11-01     *A Trumpet in Darkness* Robert G. Hughes,1985-01     **The Final Destination of Man** Harley Denny,2015-10-02 This book was written about the everyday life of man this includes you and me We live in a troublesome world All of us have to make a decision whether to serve God or Satan I quote a verse found in the King James Bible Joshua 24 15And if it seem evil unto you to serve the Lord choose you this day whom ye will serve To serve God will ensure you of a eternal future of bless to serve the Devil will ensure you of a eternal future in the lake of fire with the Devil his demon friends the antichrist the false prophet and all those who have rejected Jesus as their Savior     The Apocalypse Eugenio Corsini,2019-05-02 From the Introduction The work that follows is not intended to be a commentary on the Apocalypse There have been many such commentaries reaching back into the earliest times of the Christian era Some especially during the Middle Ages have been quite spectacular in their ingeniousness Our modern era has seen a series of fine commentaries applying all the criteria of a historical philological analysis to this difficult book What I have attempted to do here is to provide a continuous reading of the text trying to show especially through the links which can be made with the Old Testament tradition the coherent and unified argument of the whole work The reader will find that despite my admiration for and debt to the older commentaries I have introduced something quite new to the interpretation of the Apocalypse     The Voice of the Last Prophet. A Practical Interpretation of the Apocalypse Edward Huntingford,1871     *Proceedings* Society for Psychical Research,1928     *Strange Work* Rev Herbert Melville Munson Jr,2013-03-25 *Strange Work* is a verse by verse commentary on the Bible book of Revelation Nearly three millennia ago the prophet Isaiah predicted that the Lord God of hosts would one day rise up and do a strange work on the Earth He said it would come as a destruction upon the whole earth Isaiah 28 21 22 The last thing that modern man expects is that the true and living God will one day actually intervene upon the Earth Yet with one voice the prophets of the Bible predict that is exactly what He will do The book of Revelation is the most detailed of the Bible s prophecies of that fast approaching supernatural intervention on planet Earth Someone has dubbed the book of Revelation The prophetic Grand Central Station of the Bible That is a very good way to describe it All the great eschatological end time themes in the Bible run to the book of Revelation like train tracks to a central hub     *The Glorious Victory* George van Popta,2011-01-01 In thirty six chapters this expository and homiletical commentary explains the fascinating book of Revelation The author shows consistently how the images of Revelation are rooted in the Old Testament scriptures The Glorious Victory can be read profitably for personal devotion communal study or in worship     Proceedings of the Society for Psychical Research Society for Psychical Research (Great Britain),1928 List of members in v 1 19 21 24     **The Homilies of S. John Chrysostom, Archbishop of Constantinople, on the Epistle of S. Paul the Apostle to the Hebrews** Saint John Chrysostom,1883     **Except the Lord Build the House** Norman Eberly,2019-05-08 At the turn of this century Tim Lahaye and Jerry Jenkins published their

famous Left Behind series with the underlying plot that Jesus would abruptly appear in the sky and rapture catch away His church just prior to the worldwide Tribulation Throughout this seven year period of Tribulation the main characters who are left behind find themselves in a survival struggle under the hideous rule of the Antichrist as they earnestly await another appearance of Jesus at the end of the Tribulation clinging to the hope that they will get another chance to be saved This fictitious story is based on the predominant prophetic teachings that have been widely accepted as orthodoxy among many non Catholic denominations But just how accurate are these conclusions when measured up to the Word of God What does the Bible really say about the Rapture and the return of our Lord and Savior Jesus Christ In Except the Lord Build the House author Norm Eberly constructs a doctrinal house from the ground up using the literal renderings of various passages from the Bible as a foundation Throughout its pages the reader is urged not to apply mystical interpretations to Biblical prophecies but rather to simply read the Word of God at face value in order to arrive at sound logical conclusions Later in the book numerous prophetic interpretations are introduced for the reader to ponder but only after a firm foundation that is based on the literal wordings of the Holy Scriptures has been established Written for scholars students and novice Bible readers alike and with over 100 colorful charts and illustrations this book offers a fresh approach to the study of Biblical prophecies for the endtime and presents a bold challenge to the status quo of popular Evangelical teachings concerning the Rapture and the Lord s imminent return

**Theological Works: The Apocalypse revealed** Emanuel Swedenborg,1907

**Lions, Locusts, and the Lamb** Michael Kuykendall,2019-01-28 The symbolism of Revelation has puzzled readers for centuries Every generation falls prey to extreme views of interpretation Even worse they minimize the importance of John s Apocalypse by not teaching or preaching from it Yet Revelation is a profound work of New Testament theology and warrants a close study John expects and prepares believers to follow the Lamb through suffering and possible martyrdom The problem is centered on what the symbols mean Are they literal Are they symbolic Do the images refer to events and people in the first century or to the last days of planet earth Moreover how is the book structured Is it one vision four visions or more Are the visions linear or recapped Lions Locusts and the Lamb Interpreting Key Images in the Book of Revelation demonstrates a way to unlock John s structure and unravel his symbols The key is to follow a logical step by step interpretive approach that accents the historical cultural intertextual extratextual and particularly intratextual allusions and connections The result is a book that delivers the basic meaning of three hundred images and categorizes them into an accessible guide for teachers preachers and readers of Revelation
