Truth V Justice:

Truth v. Justice Robert I. Rotberg, Dennis F. Thompson, 2010-07-01 The truth commission is an increasingly common fixture of newly democratic states with repressive or strife ridden pasts From South Africa to Haiti truth commissions are at work with varying degrees of support and success To many they are the best or only way to achieve a full accounting of crimes committed against fellow citizens and to prevent future conflict Others question whether a restorative justice that sets the guilty free that cleanses society by words alone can deter future abuses and allow victims and their families to heal Here leading philosophers lawyers social scientists and activists representing several perspectives look at the process of truth commissioning in general and in post apartheid South Africa They ask whether the truth commission as a method of seeking justice after conflict is fair moral and effective in bringing about reconciliation The authors weigh the virtues and failings of truth commissions especially the South African Truth and Reconciliation Commission in their attempt to provide restorative rather than retributive justice They examine among other issues the use of reparations as social policy and the granting of amnesty in exchange for testimony Most of the contributors praise South Africa s decision to trade due process for the kinds of truth that permit closure But they are skeptical that such revelations produce reconciliation particularly in societies that remain divided after a compromise peace with no single victor as in El Salvador Ultimately though they find the truth commission to be a worthy if imperfect instrument for societies seeking to say never again with confidence At a time when truth commissions have been proposed for Bosnia Kosovo Cyprus East Timor Cambodia Nigeria Palestine and elsewhere the authors conclusion that restorative justice provides positive gains could not be more important In addition to the editors the contributors are Amy Gutmann Rajeev Bhargava Elizabeth Kiss David A Crocker Andr du Toit Alex Boraine Dumisa Ntsebeza Lisa Kois Ronald C Slye Kent Greenawalt Sanford Levinson Martha Minow Charles S Maier Charles Villa Vicencio and Wilhelm Verwoerd *Crime, Truth and Justice* George Gilligan, John Pratt, 2013-01-11 This book analyses the production of criminological knowledge with particular reference the official inquiry It investigates the structures and processes of official discourse and the ways in which this produces knowledge on crime and justice Rethinking Justice Richard H. Bell, 2007-01-01 In *Rethinking Justice* Richard H Bell lifts up and restores an idea of justice found in classical writers such as Socrates and Seneca as well as in more recent thinkers Justice classically has dealt with righting wrongs and restoring peace to individuals and human communities We have lost sight of this in our modern political and legal dealings and must find a way to return it to mind and to practice Each chapter looks at ways to restore such reconciliatory practices to the idea of justice that can be found in our contemporary life and literature and focuses on numerous recent cases of abuse of justice among individuals groups and nations Bell approaches justice as a concept that goes hand in hand with compassion mercy and trust *Rethinking Justice* reminds us that we have an obligation to foster peace be merciful and promote reconciliation with our brothers and sisters in humanity **Forgiveness Considered** Henry J. Concept of Forgiveness Henry J Charles brings forgiveness into modernity as an integral moral imperative PORT OF SPAIN
 Trinidad and Tobago Release Date TBD When the concept of forgiveness takes the center stage most Christian and Western

 of forgiving and forgetting and the idea that certain acts can be considered unforgiveable The book finally looks to special
 geopolitical contexts where nations attempt to come to term with histories of brutality and oppression as a way to envisage
 and realize a more liberating future He examines the realities of amnesty forgiveness and reconciliation in South Africa in the
 light of the latters history of apartheid in the hope that forgiveness and reconciliation may be accorded a much wider
