Versuche Aber Brecht:

"Verwisch die Spuren!": Bertolt Brecht's Work and Legacy, 2015-06-29 This volume presents a cross section of current Brecht studies reflecting a variety of approaches and perspectives ranging from detailed exegesis of particular texts to cultural criticism in the broadest sense It provides analyses of Brecht's work and investigates his pervasive influence in 20th century literature The studies collected here cover the whole of Brecht's career from the early one-acter *Kleinbürgerhochzeit* of 1919 to the *Sinn und Form* years immediately preceding his death as well as his use of tradition and his legacy By way of redressing a tendency in Brecht reception to regard him mainly as a dramatist the volume covers novels poetry film photography journalism and theory as well as plays *Selected Writings: Poetry of grammar and grammar of poetry* Roman Jakobson, 1962 **Neue Versuche Über Brecht** Maarten Van Dijk, 2001 **Bertolt Brecht's Dramatic Theory** John J. White, 2004 In concert with his work as a politically charged playwright and dramaturge Bertolt Brecht concerned himself extensively with the theory of drama He was convinced that the Aristotelian ideal of audience catharsis through identification with a hero and the resultant experience of terror and pity worked against his goal of bettering society He did not want his audiences to feel but to think and his main theoretical thrusts *Verfremdungseffekte* de-familiarization effects and epic theater among others were conceived in pursuit of this goal This is the first detailed study in English of Brecht's writings on the theater to take account of works first made available in the recent German edition of his collected works It offers in depth analyses of Brecht's canonical essays on the theater from 1930 to the late 1940s and early GDR years Close readings of the individual essays are supplemented by surveys of the changing connotations within Brecht's dramaturgical oeuvre of key theoretical terms including epic and anti-Aristotelian theater de-familiarization historicization and dialectical theater Brecht's distinct contribution to the theorizing of acting and audience response is examined in detail and each theoretical essay and concept is placed in the context of the aesthetic debates of the time subjected to a critical assessment and considered in light of subsequent scholarly thinking In many cases the playwright's theoretical discourse is shown to employ methods of epic presentation and techniques of de-familiarization that are corollaries of the dramatic techniques for which his plays are justly famous John J. White is Professor of German and Comparative Literature at King's College London **Brecht's Poetry of Political Exile** Ronald Speirs, 2000-11-02 Bertolt Brecht one of the most influential European playwrights of the twentieth century was also a poet of distinction This volume is the first comprehensive study devoted to his most important collection of political poetry the *Svendborg Poems* The contributors analyse Brecht's work critically and historically discussing it in relation to questions of poetics political commitment exile propaganda rhetoric and the scope and limitations of political poetry Links are also drawn with the work of German Soviet and English poets of the period and with later Germany poets *Brecht Jahrbuch*, 1999 *Helene Weigel 100* Judith Wilke, 2000 Volume 25 of *The Brecht Yearbook* celebrates the centenary of Helene Weigel one of the great actresses of the twentieth century founder and artistic director of the Berliner

Ensemble key artistic personality in the German Democratic Republic and wife of Bertolt Brecht Important Brecht scholars friends and collaborators of Weigel examine her multifaceted career in articles and interviews A special Forum section is devoted to the exchange of letters between Brecht Steffin and Arnold Zweig edited by Heidrun Loper Distributed for the International Brecht Society In English and German ISSN 0734 8665 Maske und Kothurn ,1989 **Brecht's America** Patty Lee Parmalee,1970 Brecht's Poetry Peter Whitaker,1985 This is the first comprehensive critical survey of Brecht s poetry from its beginnings in World War I to the 1950 s to appear in either English or German Offering a new perspective on the poet s work it draws on the most current publications and on unpublished archival material to relate the poems to Brecht s other writings and to st them in historical context Individual texts many not previously discussed elsewhere are anlyzed and many earlier readings of well known poems are reassessed Brecht Newsletter ,2001 Brecht and Death Jürgen Hillesheim,Mathias Mayer,Stephen Brockmann,2007 Brecht and Death addresses fundamental issues in Brecht s relationship to death from his own personal approach to death to the complex ways that death is addressed or evaded in his major literary and theatrical works as well as in his theoretical writings Brecht s status as a revenant a Wiederg nger in contemporary society is explored the various ways in which Brecht as a cultural signifier continues to exist over five decades after the death of Brecht as a person Essays ask how a materialist and atheist like Brecht was or was not able to find consolation in aesthetic political theories and practices that for him replaced religious beliefs and rituals that he rejected The volume includes essays by some of the leading figures in international Brecht scholarship among others Jost Hermand Hans Thies Lehmann Marc Silberman Karen Leeder and Tom Kuhn **Die dramatischen Versuche Bertolt Brechts, 1918-1933** Ernst Schumacher,1955 **The Modern Restoration** Stephen Parker,Peter Davies,Matthew Philpotts,2012-04-17 This book seeks to move twentieth century German literary history away from its stubbornly persistent reliance on the political turning points of 1933 and 1945 In the first part of the book the authors analyze a synchronic corpus of literary journals identifying a restorative aesthetic mood in the years 1930 1960 which persists across political date boundaries In the second part the careers of five writers are considered diachronically against this prevailing restorative climate Gottfried Benn Johannes R Becher Bertolt Brecht G nter Eich and Peter Huchel Combining these two approaches the authors show that a fresh perspective that challenges established literary historical periodisations can shed light on the common cultural and aesthetic ground shared by writers editors and critics across the ideological divides of the era **Brecht and France** Ćhëttanā Nākwachara,Chetana Nagavajara,1994 The present study Brecht and France as distinct from Brecht in France addresses an area in Brecht Studies which has been rather unjustly neglected The author attempts to assess Brecht s relationship with France its impact on his creativity and the image of France as reflected in his works A thorough examination of Brecht s own writings including minor and lesser known works his private library published as well as unpublished biographical autobiographical and contemporary records reveals that France was an intellectual treasure house from which he could

derive great benefit in terms of source materials socio political ideas dramaturgical principles and above all artistic inspirations Particularly those works based on what the author calls the *Mati re de France* and dealing with France in crisis are vested with artistic conviction emotional poignancy and universal message that well merit the pronouncement made by Jean Paul Sartre that Brecht est n tre

Brecht 100 John Rouse, Marc Silberman, Florian Vassen, 1999 Celebrating Bertolt Brecht s centenary year this volume presents selected papers from the 1998 International Brecht Society Symposium in San Diego The contributors discuss theater and politics alienation effects and gestus Brecht s poetry Brecht and music revisiting the Lehrst ck and Brecht in the Americas Distributed for the International Brecht Society In English and German ISSN 0734 8665
