**A Magnificent Obsession** Helen Rappaport, 2012-03-13 From the New York Times bestselling author of *The Rebel Romanov* an absorbing account of the making of a queen through her awful protracted grief Kirkus Reviews As she did in her critically acclaimed *The Last Days of the Romanovs* Helen Rappaport brings a compelling documentary feel to the story of this royal marriage and of the queen's obsessive love for her husband a story that began as fairy tale and ended in tragedy After the untimely death of Prince Albert the queen and her nation were plunged into a state of grief so profound that this one event would dramatically alter the shape of the British monarchy For Britain had not just lost a prince during his twenty year marriage to Queen Victoria Prince Albert had increasingly performed the function of King in all but name The outpouring of grief after Albert's death was so extreme that its like would not be seen again until the death of Princess Diana 136 years later Drawing on many letters diaries and memoirs from the Royal Archives and other neglected sources as well as the newspapers of the day Rappaport offers a new perspective on this compelling historical psychodrama the crucial final months of the prince's life and the first long dark ten years of the Queen's retreat from public view She draws a portrait of a queen obsessed with her living husband and after his death with his enduring place in history *Magnificent Obsession* will also throw new light on the true nature of the prince's chronic physical condition overturning for good the 150 year old myth that he died of typhoid fever

**Queen Victoria's Other World** Peter Underwood, 1986 There have been many books about Queen Victoria but there has never been one that has explored her other world the world of the strange and unusual the world of death and her fascination for it and the world of the unseen and the paranormal that she could never resist During his research Peter Underwood gained the

distinct impression that there was something of a conspiracy of silence around her interest in the paranormal however there is overwhelming evidence that as a fatherless and bewildered princess as a quickly matured queen and then as a widowed and often lonely woman Victoria showed a considerable interest in death and its draperies This book covers Victoria s youthful encounters with the occult her visits to haunted properties her friends and acquaintances with similar interests and experiences her alleged involvement with Robert Lees the medium her undoubted interest in the Jack the Ripper murders her obsession with omens and superstitions and her fascination with death Not long before his death the Prince Consort told the Queen We don t know in what state we shall meet again but that we shall recognise each other and be together in eternity I am perfectly certain Through forty years of widowhood Queen Victoria believed utterly that this would be so
