searches out the myriad often contradictory incarnations of the queen in the minds of her people How did Victoria convincingly maintain her power for forty years after Prince Albert s death never giving up her identity as a grieving widow How did Victorian society s reverential treatment of their queen conflate with the monarch s plain middle class public image These are some of the secrets Munich examines in her richly detailed work In demonstrating the subtle but powerful ways in which Victoria performed significant cultural work *Queen Victoria s Secrets* goes against the grain of Victoria scholarship which has tended to overlook the queen s political and cultural centrality This stylish accessible portrait will be of great interest to those who are fascinated by the myth making and secrets of the Victorian age Queen Victoria Christopher Hibbert,2000 This is a portrait of Victoria as the formidable demanding capricious queen of popular imagination which also shows her as often shy and vulnerable prone to giggling fits and crying jags *Biographies of British Women* Patricia E.
