## **Victorious Promises:**

*The Victorious Christian* Jon Von Ernst, 2020-12-16 The Victorious Christian Inheriting the Promises This book reveals the vital importance of the Holy Spirit in the Christian life It demonstrates why this Spirit of Christ is essential for anyone to understand the scriptures and to know the power of God This book will show you how you can receive the Holy Spirit It will demonstrate how this Spirit can teach you all things It reveals how a Christian can be led and empowered by the Holy Spirit to live a victorious life It will also reveal to you how you can experience the power of God working in you through the Holy Spirit to enable you to endure to the end and inherit all the promises of God Every chapter of this book focuses on at least one specific truth as presented in the scriptures concerning Jesus Christ our Lord and our lives as His followers Some chapters also focus on exposing some of the more popular false teachings common in many churches today To combat these false teachings we proclaim Christ the living Word of God When we do the light of His life will expose these false teachings as lies Therefore our goal in this book is simply to proclaim Christ and the truth as it is in Christ Our desire is to let the light of the Word shine through the words of this book As you read through these books you may experience the light of God s word shining on you and revealing things in your life that are displeasing to God If you are uncomfortable with having the light of the Word shine upon you upon your beliefs and upon how you are living your life perhaps you will not want to read any further However if you desire a fresh start to your life if you desire a closer walk a closer relationship with God and are willing to be made a little uncomfortable you may want to continue reading If something is exposed in what you believe or in how you are living that is not pleasing to God perhaps your desire for the truth will lead you to repent turning back to God and drawing closer to Him My goal is not to offend anyone but to speak the truth as it is in Christ and to allow the light of the Word to shine through My prayer is that the Word would bring every genuine believer into an intimate relationship with our Father in heaven that we all might walk as Jesus walked that we might follow in His steps This book will show how the Christian filled with the Spirit can experience joy in the midst of trials a peace that the world cannot take away and a love for one another so great that they would gladly lay down their lives for their brothers even loving their enemies It examines our separation from God and our reconciliation back to Him It reveals the reality of remembering the Sabbath It presents these truths in practical applications for our individual Christian lives and for our corporate church life These truths are presented to encourage un believers to trust in Christ and come to a saving faith in Jesus and to encourage believers to walk in faithful obedience to the leading of the Holy Spirit believing the truth as set forth in the scriptures God is glorified as we demonstrate our love for Him through our obedience and through our love for one another We do this by speaking the truth to one another and encouraging each other to gladly suffer for Christ and to endure faithfully to the end This book has been designed as a resource for Bible study for both individuals and groups There are discussion questions at the end of each chapter These questions are intended to stimulate thought and discussion concerning the truths covered in each chapter and

how they apply to our lives It is my hope that this book will help each reader and each listener come to a deeper understanding of our God and of His ways I pray that every person that reads or listens to this book will become a victorious Christian and inherit all the promises Jon von Ernst Prayer, Victory, and the Promised Land Dale A. Victory Through Revelation David M. Hapenny,2015-08-21 Victory through Revelation Overcoming the Antichrist Spirit is written for those of us who believe in the power of God to fashion our lives contrary to compromising influences and disturbing world events As the title suggests each of us can experience the revelation of Jesus Christ to bring us into complete victory even over the most deceptive human philosophy Many authors present the events described in the book of Revelation outside the context of the book Victory through Revelation Overcoming the Antichrist Spirit upholds the unity of Revelation so we as servants of Christ can hear what He is saying to us in connection to the events seen by the apostle John Because of the focus on Gods power to transform us into His conquering people Victory through Revelation also opens a fresh understanding of the last days It introduces a paradigm to shift us as individuals and the church of the twenty first century from living in struggle and defeat to experiencing victory upon victory Victory through Revelation shows how achieving victory through the revelation of Christ is essential for living daily for God in an increasingly immoral and godless world and it underscores the guarantee of our eternal victory no matter what transpires Those of us who want the power of the revelation of Christ to raise us to life in order to escape the things that are about to come upon the world would do well to read Victory through Revelation Overcoming the Antichrist Spirit *Psalms, Proverbs* Mark Futato,George M. **Empschoi Logoi – Religious Innovations in Antiquity** Alberdina Houtman, Albert de Jong, Magda Misset-Van de Weg, 2008-11-30 The fact that religions show internal variation and develop over time is not only a problem for believers but has also long engaged scholars This is especially true for the religions of the ancient world where the mere idea of innovation in religious matters evoked notions of revolution and destruction With the emergence of new religious identities from the first century onwards we begin to find traces of an entirely new vision of religion The question was not whether a particular belief was new but whether it was true and the two were no longer felt to be mutually exclusive The present volume brings together articles that study this transformation ranging from broad overviews to detailed case studies
