*The Resurrection and Immortality* William West,2006-08 THE RESURRECTION AND IMMORTALITY Is man born with an immortal soul or do the saved put on immortality at the resurrection This is one of the most important questions of all times It has more influence on our conception of our nature our view of life in this world and life after death the nature of God than any other question The resurrection and an undying immortal soul are not compatible If one is true then the other one cannot be YOUR WHOLE THEOLOGY what you believe IS DETERMINED BY YOUR VIEW OF THE SOUL Not only does man now having an immortal soul make the resurrection impossible it makes the judgment be passed and the second coming of Christ pointless for there could not be a resurrection or a judgment at His coming The resurrection doctrine of unconditional immortality are contradictory to each other You must choose one or the other You cannot believe both Christ taught the resurrection It is our only hope of life after death not now having immortality and never dying The undead cannot be raised If the soul is immortal and never dies there cannot be a resurrection of those not dead If there is to be a resurrection of the dead the dead cannot be alive cannot be living immortal souls The doctrine of unconditional immortality Changes the nature of God makes Him

cruel and sadistic Changes the message we preach to the lost and their fate whether they will have an eternal life with torment or a second death form which there will never be a resurrection Changes the nature of man whether he is now mortal or immortal Changes the nature of the resurrection of Christ whether He was dead and raised by God or only His earthly body was dead and He just came back from Heaven to it Changes the nature of our resurrection whether we are dead and resurrected or just come back from somewhere The resurrection an immortal soul The wages of sin is death the wages of sin is an eternal life of torment     **The Christian Advocate** ,1918     *The Secret of Secrets* Osho,2017-06-06 Taoist teachings on life and existence presented by one of the best known and provocative spiritual teachers of our time In this unique series of discourses Osho unravels *The Secret of the Golden Flowers* an ancient text that he describes as the essence of Taoism It is the core of all religions and spiritual paths belonging to no one and belonging to all More than 2 500 years old this remarkable text continues to be as relevant today as it was to its contemporaries Osho demystifies the important terms used by the Chinese mystic Lu Tsu or Lao Tzu and shares his meditation exercises He also outlines the qualities of animus and anima our male and female energies as delineated by Lu Tsu explaining the importance of their relationships inside each of us He also provides many valuable techniques and gives specific instructions on the Taoist Golden Light Meditation which involves harmonizing the male and female elements and transmuting sexual energy A timeless collection of Osho s talks on *The Secret of the Golden Flower* this book will show you how to not remain a seed but to become what the Chinese called a golden flower Called the one thousand petaled lotus in India the golden flower is a symbol that represents perfection totality It represents the actualization of potential the beauty the grandeur and the splendor of being     **Works** Eugène Sue,1900
