All Music Guide to Soul Vladimir Bogdanov,2003-08 With informative biographies essays and music maps this book is the ultimate guide to the best recordings in rhythm and blues 20 charts

Saints and Avengers James Chapman,2002-04-26 Eccentric ironic and fantastic series like The Avengers and Danger Man with their professional secret agents or The Saint and The Persuaders featuring flamboyant crime fighters still inspire mainstream and cult followings Saints and Avengers explores and celebrates this television genre for the first time Saints and Avengers uses case studies to look for example at the adventure series representations of national identity and the world of the sixties and seventies Chapman also proves his central thesis that this particular type of thriller was a historically and culturally defined generic type with enduring appeal as the current vogue for remaking them as big budget films attests

**Parties, Polarization and Democracy in the United States** Donald C. Baumer,Howard J. Gold,2015-11-17 As evidenced in the 2008 elections and the transition to a new era of Democratic governance one of the most important developments in American politics in recent years has been the resurgence of political parties Democrats and Republicans represent different world views and policies citizens recognise these differences and many of them use party labels to make sense of the political world Parties Polarisation and Democracy in the United States describes and analyses the place of political parties in American politics today both among elites and citizens at large Many scholars and pundits denounce political polarisation they view it as a symptom of a broken political system that provides unappealing choices for voters and that is frequently mired in deadlock Baumer and Gold make a different argument that party polarisation offers the kind of choice and accountability to voters that was not always present in earlier periods of American political history

*Persuasion in the Media Age* Timothy Borchers,2021-09-14 Persuasion in the Media Age addresses the impact of electronic media on the practice of persuasion and reviews constantly evolving digital strategies Today s world demands a new perspective on persuasion one that is grounded in the assumption that human consciousness and culture have been forever altered by communication technology The fourth edition provides timely examples of persuasion in political campaigns social movements marketing and interpersonal relationships and the role of social media and media technologies in all of the contexts From advertisers to politicians to influencers to friends persuaders use increasingly sophisticated strategies to sway behavior Borchers skillfully weaves theory research and engaging examples to help readers understand the practice of social influence and to apply critical thinking skills to the persuasion they encounter daily The text takes an interdisciplinary approach to provide the latest thinking on persuasion while also drawing on a broad theoretical base for foundational concepts such as attitudes rhetoric and human motivation Throughout Borchers emphasizes audience storytelling visual images and ethics This comprehensive insightful and accessible overview of persuasive communication teaches readers how to be skilled creators of persuasive messages as well as critical consumers
