**The Two Admirals Volume 2** James Fenimore Cooper,2018-07-09 The Two Admirals Volume 2 By James Fenimore Cooper The soldier was fairly killed in battle before he was twenty and the name of the sailor suddenly disappeared from the list of His Majesty s lieutenants about half a century before the time when our tale opens by shipwreck Between the sailor and the head of the family however there had been no great sympathy in consequence as it was rumoured of a certain beauty s preference for the latter though this preference produced no suites inasmuch as the lady died a maid Mr Gregory Wychembe the lieutenant in question was what is termed a wild boy and it was the general impression when his parents sent him to sea that the ocean would now meet with its match The hopes of the family centred in the judge after the death of the curate and it was a great cause of regret to those who took an interest in its perpetuity and renown that this dignitary did not marry We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our
