Completely revised and updated Let's Go California is your insider's guide to the Golden State Let's Go's forty five years of travel savvy deliver the practical facts you'll need from navigating L A's freeways to finding the hottest nightlife Expanded coverage of national parks beaches hiking and skiing get you out of the city while listings in the alternatives to tourism chapter show you how to make a difference or become a movie star Whether you'd rather trek Yosemite's backcountry trails or sample California cuisine in Berkeley's gourmet ghetto Let's Go can lead the way The Ultimate Rush Joe Quirk, 1999

Chet Griffin convicted computer hacker and San Francisco's fastest rollerblading messenger was given a simple assignment But that delivery turned real deadly real fast Seems the package he was carrying contained a single computer disk worth a cool billion And everyone from the Chinese mob to the SFPD wants to get their hands on it Now Chet's fighting for his life trying to clear his name and wondering what price he'll pay for Timothy A. Hutchinson, 2003-06-01 Stopped on the way to attacking his high school with an assault rifle Tim Hutchinson spent years on the wrong side of the law always one step from prison or the grave This is the shocking true story of a young man who made all the wrong choices for all the wrong reasons Cover The Complete SuperMegaNet Jesse Gordon, 2024-01-13 Four children and IT What if you could never turn off your friends That's the concept behind SuperMegaNet the long running improvisational web serial Jesse Gordon started in August 2008 as a means of killing precious time The basic premise four unlikely friends are permanently linked together when they install a social media app that allows them to upload to and from each other's phones computers at the swipe of a finger the click of a mouse Of course they get more than they bargain for when they discover that the app can't be turned off This is it all of SuperMegaNet in a single handy volume including the infamous El Cassetto story arc in its entirety Interested Then dive in immediately if not sooner *Fighter: The Unauthorized Biography of Georges St-Pierre, UFC Champion* Jerry Langton, 2011-03-16 St Pierre is two time and current champion of the UFC's most desired and hotly contested weight class He has forced other fighters to go to great lengths in an effort to unseat him But he's more than that He's ramping up the popularity of the sport itself and the culture around it St Pierre is a marketer's dream He's handsome charismatic and funny in a self effacing way He's Canadian fluently bilingual came up from a difficult background with a few personal tragedies and has never been involved with drugs or crime or had his love life make any headlines He's the man that the UFC is going to ride on in its quest to transform itself from niche market to mainstream It's already beginning While other UFC fighters have sponsors like gyms and equipment suppliers St Pierre has signed multi million dollar deals with brands such as Under Armour and is even following in the footsteps of such luminaries as Michael Jordan Peyton Manning and Sidney Crosby as a spokesman for Gatorade *Fighter* details the life of St Pierre how his talent hard work and perseverance have paid off handsomely and how his star has risen in the psyche of mixed martial arts fans around the world It describes how he is held

in high esteem by a huge number of Canadians despite the fact that his profession is looked down upon by many and is even illegal in several US States and Canadian Provinces St Pierre's ascent and fame have become a democratizing force pressuring the establishment to take Mixed Martial Arts and Ultimate Fighting seriously in ways that it would not have without him
