Things People Do:

God Has Come, He Is King The Church of Almighty God, Almighty God Christ of the last days has expressed a variety of truths uncovered every truth and mystery in the Bible and revealed to mankind the inside story of the three stages of God s work the mystery of God becoming flesh and God s work of judgment in the last days etc This testifies that Almighty God is the return of the Lord Jesus and that He is the appearance of God in the last days **Human Transit, Revised Edition** Jarrett Walker,2024-02-06 Transportation expert Jarrett Walker believes that transit can be simple if we focus on the underlying geometry that all transit systems share In Human Transit Revised Edition he provides the basic tools and critical questions needed to make smarter decisions about designing and implementing services refreshed with updated information and examples The first edition of Human Transit published in 2011 has become a classic for professionals advocates and interested citizens No other book explains the basic principles of public transit in such lively and accessible prose all based on a respect for your right to form your own opinion Walker s goal is not to make you share his values but to give you the tools to clarify and advocate for yours Walker has updated and expanded the book to deepen its explanations His ongoing work as a network planning consultant has provided a wealth of new examples images and tools New topics include the problem with specialization the role of flexible or demand response services how to know when to redesign your network and responding to tech industry claims that transit will soon be obsolete Finally he has also added a major new section exploring the idea of access to opportunity as a core measure of transit s success Whether you are a professional or a concerned citizen the revised edition of this accessible guide can help you to achieve successful public transit that will enrich any community **High and Low Corruption** Harry Adams,2023-12-19 High and Low Corruption Children Capabilities and Crime provides a systematic theory of corruption and analyzes high corruption in terms of political corruption and high end white collar crime and low corruption in terms of juvenile delinquency and street crime It shows how delinquents and street criminals often suffer from arrested development of their basic human capabilities In turn Harry Adams argues that their maldevelopment often emerges neither merely through their own fault when they were children nor through the fault of biological caregivers who were guilty of parental child neglect Beyond this Adams argues that the maldevelopment of at risk youth commonly emerges through a kind of political child neglect when corrupt public officials fail to provide adequate protection or back up support for their development In these ways the author shows how the former type of high corruption or suite crime can significantly contribute to the latter type of corruption and street crime By applying a set of moral constitutional and criminological principles from Derek Parfit Ronald Dworkin and Jeffrey Reiman respectively Adams also provides a systematic account of why and how both these types of corruption should be curbed Political Psychology Jon A. Krosnick,I-Chant A. Chiang,Tobias H. Stark,2016-11-10 In recent decades research in political psychology has illuminated the psychological processes underlying important political action both by ordinary citizens and by political leaders As the world

has become increasingly engaged in thinking about politics this volume reflects exciting new work by political psychologists to understand the psychological processes underlying Americans political thinking and action In 13 chapters world class scholars present new in depth work exploring public opinion social movements attitudes toward affirmative action the behavior of political leaders the impact of the 9 11 attacks and scientists statements about global warming and gasoline prices Also included are studies of attitude strength that compare the causes and consequences of various strength related constructs This volume will appeal to a wide range of researchers and students in political psychology and political science and may be used as a text in upper level courses requiring a scholarly and contemporary review of major issues in the field
