## True Hope:

**Out of the Maze: A Covenantal View of Hope** Dr. Jim Halla, 2022-10-12 Everybody has hope in some form but everybody needs true hope Hope is universal and necessary for living well Too often people including believers function as if circumstances feelings and others control them For the believer biblical truth steps in and clarifies and simplifies living faithfully and hopefully The Bible defines and offers true hope which never fails or disappoints It is to the Bible that we must go When we do we find God's truth exploding across the pages of Scripture Scripture defines true hope and contrasts and compares it to false hope The believer will embrace these truths as a matter of life and death Out of the Maze A Covenantal View of Hope is designed to help you differentiate true and false hope thus enabling you to live as a victor now and eternally
