**The True Wilderness** Harry Abbott Williams, 1965     *The Living Church*, 1966     Corpus-Assisted Ecolinguistics  
Robert Poole, 2022-05-05 Corpus Assisted Ecolinguistics introduces and integrates key research concepts principles and techniques in ecolinguistics and corpus assisted discourse study answering foundational questions for researchers new to the discipline and asserting the urgent need to expand its scope Breaking new ground the book analyzes under explored environmental discourses that have a tangible impact on ecological wellbeing and sustainability by perpetuating harmful attitudes practices and ideologies Chapters present in depth case studies including an analysis of the evolving representations of wilderness an eco stylistic analysis of a popular novel and an investigation of the use of humor in reports on animal escapes from slaughterhouses The studies employ a range of corpus analysis techniques to show how ecological degradation and crisis have become normalized and even trivialized in popular discourse but also spaces where positive discourse practices are present By applying tools from corpus linguistics to a diverse range of environmental discourses this book makes a significant contribution to advancing the field of ecolinguistics     User's Guide to CHEAPO II Joseph E. Horn, 1986 Since its introduction in 1979 CHEAPO a computer based economic analysis program has allowed users of the Stand Prognosis Model to evaluate silvicultural alternatives from an economic point of view Subsequent modifications to the Prognosis Model have rendered CHEAPO obsolete This users guide covers a new computer model CHEAPO II which is compatible with version 5.1 of the Prognosis Model and expands its economic analysis capabilities     **The true wilderness.**

recreational qualities of place that promoters had sold them Those demands energized the American environmental movement but also gave it blind spots that still plague it today Peopled with colorful characters richly evocative of the Rocky Mountain landscape Vacationland forces us to consider how profoundly tourism changed Colorado and America and to grapple with both the potential and the problems of our familiar ways of relating to environment nature and place *Temple Bar* ,1873 **Recreation** ,1903 **Hearings** United States.
