*Lost Tombs* Manniche, 2014-02-24 First published in 1988 The Theban private tombs form a major source for our knowledge of Egyptian society Ostensibly a great amount of work has been done in the necropolis over the past one hundred and sixty years of its modern history and the bibliography for this area is among the most extensive in Egyptology Many of the 415 or so decorated tombs have received a full publication but for a great number only selected scenes have been made available and a surprising amount remains to all intents and purposes unpublished The present study is concerned with a number of painted tombs of the Eighteenth dynasty which were visited by the early travellers but the exact location of which is now unknown The careful drawings and tracings made by these pioneers are apparently all that remains to show the appearance of these tombs Some of the scenes represented are not found elsewhere in the necropolis and others have special points of interest or unique details linguistic iconographic and religious to offer This very important material has not previously been used by scholars and it has not been recognized that fragments of some of these vanished tombs can actually be traced to collections in museums and elsewhere

**Lost Ramessid and Post-Ramessid Private Tombs in the Theban Necropolis** Lise Manniche, 2011 Part of the Carsten Niebuhr Institute Publications series this volume is a study of tombs of officials in the Theban necropolis now lost but recorded in the manuscripts of travellers to Egypt in the early and mid 19th century It also includes the fragments of relevant wall decoration in museums and other collections

*Lost Stories* Ronald L. Stuckey, 2002 A collection of previously printed accounts revealing past happenings for the most part on those properties now owned by the State of Ohio at the village of Put in Bay on South Bass Island These articles printed here from their original source appeared as early as 150 years ago in newspapers published in Sandusky Ohio

**Lost Tombs Of Thebes, The** Zahi Hawass, 2009-10-27 In southern Egypt not far from the Valley of the Kings lie hundreds of unique and wonderfully decorated tombs from the New Kingdom belonging to the people who served the pharaohs Many of these tombs had been lost to the eyes of the world closed and visited only by scholars Others had been hidden under modern villages only to emerge in the past few years when a number of hitherto unrecorded tombs have been discovered and rescued from oblivion The *Lost Tombs of Thebes* gives privileged access to a selection of these extraordinary monuments The scenes and texts that adorn their walls include some of the most exquisite examples of Egyptian art to be found anywhere in the land of the Nile The glorious paintings and elegant reliefs depict in fascinating detail life both on earth and in paradise for the ancient Egyptians As well as exploring tomb construction and the often lavish burial equipment that accompanied the dead the book also looks at the eventful times the tomb owners lived through and the great rulers they served such as Thutmose III and Ramesses the Great Final chapters discuss the fate of the tombs and the vital ongoing work of restoration and conservation Combining scholarship with superb photography including numerous foldouts this magnificent volume will bring these lost tombs back into the light and illuminate the mysterious world of ancient Thebes and the nobles who lived and
