Victorian Cornwall Malcolm McCarthy, 2018-06-21 *The Victorian Law Reports* Victoria. Supreme Court, 1903 The Victorian Reports ,1903 **Victorian and Edwardian Cornwall from Old Photographs** John Betjeman, Alfred Leslie Rowse, 1976 *Victorian Cornwall* S. Daniell, 1989-01-01 The Victorian Naturalist ,1897 *Cornish Gothic, 1830-1913* Joan Passey, 2023-06-15 This book asks why so many authors drew on Cornwall for inspiration across the long nineteenth century and considers the seismic cultural changes in Cornwall that spurred this interest from the collapse of the mining industry to the developing national rail network from the birth of tourism to the neomedieval rise in interest in King Arthur Understanding frequently overlooked Cornwall in this period is vital to understanding Gothic literature the Victorian imagination intellectual and creative networks and attitudes towards regionality The first part of the book considers landscape and legend defining a mining Gothic tradition exposing the shipwreck as Gothic mastertrope and demonstrating how antiquarians drew from Cornish legends and lore The second part explores encounters with modernity investigating the impact of railway expansion on access to Cornwall the development of a Cornish King Arthur as a key figure of Victorian masculinity and the specific features of the Cornish ghost story *An Unsentimental Journey through Cornwall* Dinah Maria Mulock Craik, 2019-12-18 In *An Unsentimental Journey through Cornwall* Dinah Maria Mulock Craik offers an intricate tapestry of her travels through the picturesque yet rugged landscapes of Cornwall Written in a reflective and lyrical style the book combines vivid descriptions with keen observations capturing both the natural beauty of the region and the complexities of its inhabitants Craik navigates between personal anecdotes and cultural commentary presenting her experiences in a manner reminiscent of the Victorian travelogue tradition but with a distinctly unsentimental lens that challenges romantic ideals of nature and rural life Dinah Maria Mulock Craik was a noted Victorian author whose works often explored themes of social justice and the lives of everyday individuals Raised in a family where storytelling was encouraged Craik developed a profound appreciation for the nuances of human experience Her own travels and encounters with various social classes inspired her to write this work as a means of conveying both the allure and the harsh realities of Cornish life thus contributing to the broader narrative of social reform prevalent in her time This book is highly recommended for readers interested in 19th century travel writing social history and the intersection of personal narrative with broader cultural issues Craik's unsentimental approach provides a refreshing counterpoint to conventional travel literature making it a significant and captivating read for those wishing to delve into the complexities of place and identity
