Victorious Expression:

Justifiable Means Terri Blackstock, 2010-02-23 A violent criminal with a knack for evading justice A beautiful victim with a secret to hide Between them stands one good cop torn between justice and the law This rape case is an exception The victim is more than willing to testify And there s abundant evidence to put the suspect behind bars Just one thing bothers Detective Larry Millsaps Young and beautiful Melissa Nelson seems to know almost too much about the evidence needed to convict her attacker The unfolding investigation unearths a brutal track record on the part of the suspect and a stunning revelation of Melissa s own haunting past that could do far worse than destroy her credibility Caught in a deadly conflict between the ironies of the law and the demands of his Christian convictions Millsaps finds himself protecting Melissa from a psychopathic stalker s lethal game of cat and mouse even as evidence collects that could send to prison not an inhuman criminal but the woman Millsaps has come to love Justifiable Means is the second book in the Sun Coast Chronicles by award winning author Terri Blackstock From absorbing legal drama to lightning paced action the Sun Coast Chronicles offers suspense at its finest tempered with remarkable realism and penetrating insights into the human heart Look for Evidence of Mercy Presumption of Guilt and Ulterior Motives at your favorite bookstore Analysis of Dis/agreement - with particular reference to Law and Legal Theory S. Eng, 2013-03-09 In order to determine whether two participants in a discussion are in real dis agreement one must compare their propositions Comparison presupposes yardsticks in common Analysis of Dis agreement thematises such yardsticks in that it demonstrates the existence content and factual significance of a relatively well delimited set of proposition types and proposition patterns with their accompanying tenability criteria and motivating interests The book is a work in the field of legal theory by virtue of its demonstrating how lawyers power of judgement is constituted in and through these yardsticks The book is interdisciplinary by virtue of its demonstrating how the same yardsticks come into play more generally in argumentation formulated in everyday language i e independently of law And the book is a work in the field of philosophy by virtue of its demonstrating the existence and factual significance of language and argumentation actions with a certain independence in relation to the level of controversial fundamental philosophical positions The Encyclopædia Britannica Hugh Chisholm, James Louis Garvin, 1926 **The Congregationalist**, 1925 **Public Opinion**, 1897
