**The Brontës** Juliet Barker,2021-11-15 The story of the tragic Bront family is familiar to everyone we all know about the half mad repressive father the drunken drug addled wastrel of a brother wildly romantic Emily unrequited Anne and poor Charlotte Or do we These stereotypes of the popular imagination are precisely that imaginary created by amateur biographers such as Mrs Gaskell who were primarily novelists and were attracted by the tale of an apparently doomed family of genius Juliet Barker s landmark book is the first definitive history of the Bront s It demolishes the myths yet provides startling new information that is just as compelling but true Based on first hand research among all the Bront manuscripts including contemporary historical documents never before used by Bront biographers this book is both scholarly and compulsively readable The Bront s is a revolutionary picture of the world s favorite literary family      The Brontës Clement King Shorter,1908      *Jane Eyre by Charlotte Bronte Lit Link Gr. 7-8* ,      McClure's Magazine ,1893      **A Writer's Notes on His Trade** Charles Edward Montague,Madeline Scott Montague,1930      **The Cambridge Companion to the Brontës** Heather Glen,2002-12-05 The extraordinary works of the three sisters Charlotte Emily and Anne Bront have entranced and challenged scholars students and general readers for the past 150 years This Companion offers a fascinating introduction to those works including two of the greatest novels of the nineteenth century Charlotte s Jane Eyre and Emily s Wuthering Heights In a series of original essays contributors explore the roots of the sisters achievement in early nineteenth century

Haworth and the childhood plays they developed they set these writings within the context of a wider history and show how each sister engages with some of the central issues of her time The essays also consider the meaning and significance of the Brontë's enduring popular appeal A detailed chronology and guides to further reading provide further reference material making this a volume indispensable for scholars and students and all those interested in the Brontës and their work **The Three Brontës** May Sinclair, 1914 These Were the Brontës Dorothy Helen Cornish, 1940 The Father of the Brontës William Walsh Yates, 1897
