**Miners' International Federation. 1962** United States. International Labor Affairs Office,1962 **The Young Miner: Tom Nelson in California** Horatio Alger, Jr.,2015-11-26 If you ve ever used the phrase rags to riches you owe that to Horatio Alger Jr 1832 1899 who popularized the idea through his fictional writings that also served as a theme for the way America viewed itself as a country Alger s works about poor boys rising to better living conditions through hard work determination courage honesty and morals was popular with both adults and younger readers Alger s writings happened to correspond with America s Gilded Age a time of increasing prosperity in a nation rebuilding from the Civil War His lifelong theme of rags to riches continued to gain popularity but has gradually lessened since the 1920s Still readers today often come across Ragged Dick and stories like it in school *The Young Miner* Horatio Alger Jr,2017-12-03 Those who were interested in Tom Nelson s trip across the Plains will find in the present story a record of his adventures in the Land of Gold Though his prosperity was chiefly due to his own energy and industry it is also true that he was exceptionally lucky Yet his good fortune has been far exceeded by that of numerous adventurous spirits in Colorado within the last twelve months Some measure of prosperity generally awaits the patient and energetic worker and seldom comes to those who idly wait for something to turn up **The Young Miner** Horatio Alger,2013-06-06 A dozen men provided with rockers were busily engaged in gathering and washing dirt mingled with gold dust on the banks of a small stream in California It was in the early days and this party was but one of hundreds who were scattered over the new Eldorado seeking for the shining metal which throughout the civilized world exercises a sway potent and irresistible I have said there were a dozen men but this is a mistake One of the party was a well grown boy of sixteen with a good humored and even handsome face He was something more than good humored however There was an expression on his face which spoke of strength and resolution and patient endurance The readers of *The Young Adventurer* will at once recognize in our young hero Tom Nelson the oldest son of a poor New England farmer who finding no prospects at home had joined the tide of emigrants pouring from all parts of the country to the land of which so many marvelous stories were told Tom had come to work and though he doubtless shared to some extent the extravagant anticipations of the great body of Eastern visitors who hoped to make a fortune in a year he did
