## Sky Legs:

The Sky's the Limit Angie Belcher, New Zealand. Learning Media, 1999 Having no legs didn't stop Tony Christiansen from climbing trees racing go karts or being a surf club life saver His answer It's not what happens to you that counts it's what you do about it Suggested level primary

*Sky's Story* Louise Allen, 2022-04-14 When Sky and her older sister Avril were taken into care the social workers knew this was a case like no other Raised by troubled parents who hoarded compulsively creating horrific conditions no child should live in the two girls arrived at foster carer Louise's home neglected malnourished and indoctrinated Louise had to draw on all of her experience as one of Britain's leading foster carers to rehabilitate and change the course of their lives But with constant attempts to thwart her work Louise ends up under siege in her own home Will she succeed or is their fate sealed forever

Into the Closet Victoria Flanagan, 2013-08-21 Into the Closet examines the representation of cross dressing in a wide variety of children's fiction ranging from picture books and junior fiction to teen films and novels for young adults It provides a comprehensive analysis of the different types of cross dressing found in children's narratives raising a number of significant issues relating to the ideological construction of masculinity and femininity in books for younger readers Many literary and cultural critics have studied the cultural significance of adult cross dressing yet although cross dressing representations are plentiful in children's literature and film very little critical attention has been paid to this subject to date Into the Closet fills this critical gap Cross dressing demonstrates how gender is symbolically constructed through various items of clothing and apparel It also has the ability to deconstruct notions of problematizing the relationship between sex and gender Into the Closet is an important book for academics teachers and parents because it demonstrates how cross dressing rather than being taboo is frequently used in children's literature and film as a strategy to educate or enculturate children about gender
