The Portable Faulkner:

The Portable Faulkner William Faulkner, 2003-02-25 A real contribution to the study of Faulkner's work Edmund Wilson A Penguin Classic In prose of biblical grandeur and feverish intensity William Faulkner reconstructed the history of the American South as a tragic legend of courage and cruelty gallantry and greed futile nobility and obscene crimes He set this legend in a small minutely realized parallel universe that he called Yoknapatawpha County Mississippi No single volume better conveys the scope of Faulkner's vision than The Portable Faulkner The book includes self-contained episodes from the novels The Sound and the Fury Light in August and Sanctuary the stories The Bear Spotted Horses A Rose for Emily and Old Man among others a map of Yoknapatawpha County and a chronology of the Compson family created by Faulkner especially for this edition and the complete text of Faulkner's 1950 address upon receiving the Nobel Prize in literature Malcolm Cowley's critical introduction was praised as splendid by Faulkner himself For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 800 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators
