The Problem Of Christianity:

The Problem of Christianity Josiah Royce, 2001 Josiah Royce's late masterpiece *The Problem of Christianity* is based on a series of lectures he delivered at Manchester College Oxford in 1913. It presents his philosophical interpretation of Christianity's fundamental ideas: community, sin, atonement, and saving grace, showing their relevance to the current confluence of world religions and grounds his position upon a personal transformation into genuine loyalty toward the community of the entire human family. *The Problem* opens up a mine of surprising treasures while its prophetic voice speaks to contemporary issues and current movements in ecumenics and inter-religious dialogue. Frank M. Oppenheim's new introduction highlights its relevance to some of the pressing problems of the new century. A notable contribution to the interpretation of Christian ideas, *The Nation* Royce has contributed largely to the treasures of religious thought. *New York Times*

Problem of Christianity Josiah Royce, 1913 **The Problem of God** Mark Clark, 2017-08-22 *The Problem of God* explores answers to the most difficult questions raised against Christianity. A skeptic who became a Christian and then a pastor, author Mark Clark grew up in an atheistic home. After his father's death, he began a skeptical search for truth through the fields of science, philosophy, and history, eventually finding answers in the last place he expected: Christianity. In a winsome, persuasive, and humble voice, *The Problem of God* responds to the top ten interrogations people bring against God and Christianity, including: Does God even exist in the first place? What do we do with Christianity's violent history? Is Jesus just another myth? Can the Bible be trusted? Why should we believe in Hell anymore today? Each chapter answers the specific challenge using a mix of theology, philosophy, and science. Filled with compelling stories and anecdotes, *The Problem of God* presents an

organized and easy to understand range of apologetics focused on both convincing the skeptic and informing the Christian

The book concluding with Christianity's most audacious assertion how should we respond to Jesus' claim that he is God and the only way to salvation

No when he asks your aid though he be the least of these my brethren he speaks with the voice of the judge of all men with the voice that you hope to hear saying Come ye blessed of my Father for I was hungered and ye gave me meat. In other words the real man whom your eyes only seem to see but whom on the level of ordinary human intercourse you simply ignore actually belongs to another level of spiritual existence above the level of our present life of divisions. The mystery of the real being of this man is open only to the divine Love.

If you view your neighbor as your Father would have you view him you view him not only as God's image but also as God's will and God's love. If one asks for further light as to how the divine love views this man the answer of Jesus in the parables is in substance that this man is a member of the Kingdom of Heaven. The Kingdom of Heaven is obviously a community. But this community is itself a mystery soon to be revealed but so far in the visible world of which Jesus speaks not yet to be discovered. This Kingdom is a treasure hid in a field. Its Master has gone into a far country. Watch and be ready. The Lord will soon return. The doctrine of Christian love as thus taught by Jesus so far as the records guide us implies loyalty to the Kingdom but expresses itself in forms which demand further interpretation and which the Master intended to have further interpreted. Now the apostolic churches held that those visions of the risen Lord upon the memory and report of which their life as communities was so largely based had begun for them this further interpretation.
