Classroom Discourse Competence Katrin Thomson, 2022-04-04 In language learning contexts the role of the language teacher is a particularly crucial one it is the teacher who through and with their use of the foreign language has a significant influence on the extent to which language learners are linguistically cognitively activated and thus determines whether processes of language learning are initiated and promoted or perhaps even impeded or prevented Thus it is of utmost importance for language teachers to acquire a high level of classroom discourse competence CDC a professional competence that goes far beyond the notions of FL proficiency and communicative competence Located at the intersection of theory classroom research and practical approaches to E FL teacher education Classroom Discourse Competence Current Issues in Language Teaching and Teacher Education offers university students trainee teachers in service teachers and teacher educators a comprehensive conceptualization of CDC Part I Furthermore the chapters in this book explore facets of CDC Part II and present good practice examples of CDC development in the context of pre service teacher education Part III

Professional Development of English Language Teachers in Asia Kayoko Hashimoto, Van-Trao Nguyen, 2018-05-16 Why has English language proficiency in Japan remained so low in comparison to other Asian countries Has Vietnam attempted to improve English language teaching because ASEAN has adopted English as its working language Why do English language teachers struggle with curriculum changes imposed by governments in order to make them competitive in

the international community Do professional development PD programs actually meet the needs of teachers This book addresses issues surrounding these questions by examining how the Japanese and Vietnamese governments have approached and defined the PD of English language teachers and how such PD programs have been delivered It further analyses the impact of policy changes on individual teachers and explores how PD can help teachers to implement such changes effectively at the micro level PD of language teachers or language teacher education is relatively new as a field of inquiry in Applied Linguistics By including case studies of Japan and Vietnam in the one volume this book embarks on the challenging task of demonstrating that PD is an essential element of the successful implementation of language policies in Asia where World Englishes have been shaped by distinct local contexts Language Planning in Primary Schools in Asia Richard Baldauf, Robert Kaplan, Knoko Kamwangamalu, Pauline Bryant, 2013-09-13 In foreign language education decisions must be taken on what languages to teach who will teach them in which schools i e all only urban only rural in which grades the number of hours a week and the cost involved This book explores the answers to these questions across a number of Asian polities It illustrates why some of the efforts undertaken are successful and why some are not why despite significant investments of time and resources some students do not seem to acquire the languages being taught and why some teachers responsible for instruction in the designated foreign languages have problems achieving fluency in the designated language or have other language teaching difficulties It suggests some strategies various polities might attempt to achieve their stated language learning objectives This book was originally published as a special issue of Current Issues in Language Planning

Early Language Learning and Teacher Education Subhan Zein, Sue Garton, 2019-02-26 Language teacher education is widely identified as one of the most important areas that needs addressing in order to improve early language instruction yet research into teacher education for early language teachers remains relatively sparse This volume responds to this gap by compiling studies with diverse methodological tenets from a wide range of geographical and educational contexts around the world The volume aims to enhance understanding of early language teacher education as well as to address the need to prepare early language teachers and assist them in their professional development The chapters focus on the complexity of teacher learning innovations in mentoring and teacher supervision strategies in programme development and perceptions and knowledge and assessment in early language learning teacher education The volume offers comprehensive coverage of the field by addressing various aspects of teacher education in different languages The contributions highlight examples of research into current practice in the professional enhancement of early language learning teachers but with an emphasis on the implications for practitioners Practical Lessons in the Use of English Mary Frances Hyde, 1887 **Aboriginal Ways of Using English** Diana Eades, 2013-06-14 This new collection by Professor Diana Eades addresses the way non traditional language Aboriginal speakers of English use and speak English Here she draws together some of her best writing over the past thirty years Older chapters are brought up to date with contemporary reflections informed by her many years

experience in research and teaching as well as the practical applications of her scholarly work The introduction includes an overview about Aboriginal ways of speaking English and the implications for both education and the law as well as discussing the use of the term Aboriginal English To understand Aboriginal ways of speaking English leads to be better understanding Aboriginal identity a better engagement in intercultural communication and learning about the complexities of how English is used by and with Aboriginal people in the legal process This is invaluable reading for university undergraduates in a range of disciplines but also postgraduate courses where theres little information available Educated readers and students with or without a linguistics background will find the book accessible
