World Of Glass:

World of Glass Beatrix Zimmerman,2024-10-04 World of Glass explores the fascinating journey of one of humanity's most transformative inventions: glass. From ancient obsidian tools to modern smartphone screens, this book illuminates how glass has shaped our world in ways we often overlook. The author weaves together the historical evolution of glass, its scientific properties, and its diverse applications in modern society, presenting a comprehensive understanding of how this versatile material has influenced human progress. The book traces glass's origins from naturally occurring volcanic glass to the first human-made glass in ancient Mesopotamia, providing context for the technological leaps in glass production and application over millennia. It delves into the basic concepts of glass formation and properties, the historical development of glassmaking techniques, and explores contemporary and future applications in fields such as architecture, telecommunications, and renewable energy. One intriguing fact highlighted is the role of glass in enabling scientific discoveries from microscopes to telescopes that have revolutionized our understanding of the world. What sets World of Glass apart is its innovative approach to presenting technical information using relatable analogies and real-world examples to make complex scientific concepts accessible to a broad audience. The book's interdisciplinary connections between materials science, chemistry, physics, and environmental science offer readers a holistic view of glass's impact on society while maintaining scientific rigor. This engaging exploration invites readers to see the world through a new, transparent lens, revealing the often-overlooked influence of glass on our daily lives and future technologies.

His crew calls him Maestro. Thousands of fans call him a magician. Over the past five decades, Dale Chihuly, b. 1941, has created some of the most innovative and popular works of art in museums and gardens around the world. Authors Jan Greenberg and Sandra Jordan met with Chihuly in his studio for exclusive interviews discussing his early life, his passion for glassblowing, and his dazzling works. Lavishly illustrated with Chihuly's art and family photographs, this book discusses Chihuly's workshop and his glassblowing technique. The book includes a step-by-step look at how blown glass is created, a list of places to see Chihuly's artwork, endnotes, a bibliography, and an index.
